The City covenants for the benefit of the holders of such obligations that it will not make any use of the proceeds of such obligations, any funds reasonably expected to be used to pay the principal of or interest on such obligations or any other funds of the City, and will not make any use of the Project, which would

cause the interest on such obligations to become subject to Federal income taxation under the Internal Revenue Code of 1986, as amended (the "Code") (except for the federal alternative minimum tax imposed on corporations by section 55 of the Code), or subject the City to any penalties under section 148 of the Code, and that it will not take any action or omit to take any action with respect to such obligations, the proceeds thereof or the Project financed thereby, if such action or omission would cause the interest on such obligations to become subject to Federal income taxation under the Code (except for the federal alternative minimum tax imposed on corporations by section 55 of the Code), or subject the City to any penalties under section 148 of the Code. The foregoing covenants shall remain in full force and effect notwithstanding the defeasance of any serial bonds authorized and issued under this bond ordinance or any other provisions hereof until the date which is sixty (60) days after the final maturity date or earlier prior redemption date thereof. The proceeds of any obligations authorized herein may be applied to reimburse the expenditures or commitments of the City made in connection with the Project on or after a date which is not more than sixty (60) days prior to the date of adoption of this bond ordinance.

Section 9. For the benefit of the holders and beneficial owners from time to time of the serial bonds authorized herein, and of the bond anticipation notes issued in anticipation of the issuance of such serial bonds, the City agrees, in accordance with and as an obligated person with respect to such obligations under, Rule 15c2-12, as amended (the "Rule"), promulgated by the Securities Exchange Commission pursuant to the Securities Exchange Act of 1934, to provide or cause to be provided such financial information and operating data, financial statements and notices, in such manner as may be required for purposes of the Rule. In order to describe and specify certain terms of the City's continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the City Administrator is authorized and directed to sign and deliver, in the name and on behalf of the City, the commitment authorized by subsection 6(c) of the Rule (the "Commitment") to be placed on file with the City Clerk, which shall constitute the continuing disclosure agreement made by the City for the benefit of holders and beneficial owners of the obligations authorized herein in accordance with the Rule, with any changes or amendments that are not inconsistent with this bond ordinance and not substantially adverse to the City and that are approved by the City Administrator on behalf of the City, all of which shall be conclusively evidenced by the signing of the Commitment or amendments thereto. The agreement formed collectively by this paragraph and the Commitment shall be the City's continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the City would be required to incur to perform thereunder. The City Administrator is further authorized and directed to establish procedures in order to ensure compliance by the City with its continuing disclosure agreement, including the timely provision of information and notices. Prior to making any filing in accordance with the agreement or providing notice of the occurrence of any material event, the City Administrator shall consult with, as appropriate, the City Attorney and bond counsel or other qualified independent special counsel to the City and shall be entitled to rely upon any legal advice provided by the City Attorney or such bond counsel or other qualified independent special counsel in determining whether a filing should be made.
