Dear Chairman Gunn:

At the September 11, 2018 meeting, the Planning Board resolved to grant Preliminary and Final Subdivision Plat, Site Plan and Certificate of Appropriateness Approvals for the aforementioned project. In addition, the Planning Board, at its January 8, 2019 meeting, made an administrative amendment to the resolution. At the Planning Board's February 12, 2019 meeting, the Planning Board granted a 90-day extension and made a second administrative amendment to the resolution.

Since the original approval, professionals for the applicant have been working on satisfying the various conditions associated with the resolution. As such, on behalf of the applicant, Hudson Land Design respectfully requests one (1) additional 90-day extension of approval, which is due to expire on June 8, 2019. Please place this item on your May 2019 agenda to further discuss.

Should you have any questions or require additional information, please feel free to call me at 845-440-6926.

Sincerely,
