Re: Portable Video Inspection System with Trailer
Water and Sewer Department
City of Beacon
Award Recommendation

Dear Anthony,

One (1) bid proposal was submitted and opened on April 26, 2019 for the Portable Video Inspection System with Trailer. The proposal was reviewed and found to be complete.

The bidder is J&J Equipment, Environmental Equipment Specialist with a bid of \$69,900. There was an Optional bid for a Large Line Kit for \$5200. The total bid price is with the Optional bid is \$75,100. The total bid is \$100 more than the 2019 budgeted and approved Capital Equipment cost of \$75,000. I believe that there are monies available from other capital projects to cover the additional \$100.

In my opinion, J&J Equipment, Environmental Equipment Specialist should be considered the lowest responsible bidder, based upon submitted information.

If you have any questions or need any further information, please do not hesitate to contact me.

Respectfully;

Edward Balicki
