RE: Teller Avenue
Sanitary Sewer Replacement
City of Beacon
Award Recommendation

Dear Mr. Ruggiero & Mr. Balicki:

A total of three (3) bid proposals were submitted and opened on July 25, 2019 for the **Teller Ave. Sanitary Sewer Replacement** project. The three proposals were carefully reviewed; all multiplication between estimated quantities and unit prices checked; and addition of total prices checked against the total contract amount. All proposals submitted were complete.

The following tabulation shows the order from lowest bidder, the name of the bidder, the total contract amount, and the corrected contract amount if errors were found. The engineer's estimate for the project was approximately \$255,552.00.

NAME OF BIDDER	TOTAL CONTRACT AMOUNT
Sun Up Construction Corp. Wappingers Falls, NY	\$222,085.00
Grant Street Construction Cortland, NY	\$233,000.00
Ben Ciccone, Inc. Poughkeepsie, NY	\$329,400.00

The lowest bidder is Sun Up Construction Corp., with the total base bid amount of \$222,085.00. Sun Up Construction has submitted information related to several projects in which they have completed the work as outlined within the proposed project. References supplied were called and checked to verify the work completed by the prospective low bidder and were found to be acceptable. In our opinion, Sun Up Construction Corp. should be considered the lowest responsible bidder based upon the submitted information and Chapter 53 of the City Code. Along with the bid, the contractor has submitted a Non-Collusive Bidding Certificate, and a Bid Bond.

It is our recommendation to the City Council to award the **Teller Ave. Sanitary Sewer Replacement** project to Sun Up Construction Corp.

If you have any questions, or need any further information, please do not hesitate to contact our office.

Very truly

LANC & TULLY, P.C.

John Russo, P.E.
