Before I introduce my 2020 Budget, I would like to thank the City Administrator, Anthony Ruggiero, M.P.A; our Finance Director, Susan Tucker, CPA and all our Department Heads for the work they have done on this budget.

This is the 6th year in a row that we have received a “no designation” classification from the NYS Comptroller’s Office with a score of 5%. We have an Aa2 Moody’s bond rating. This shows our tax dollars are being managed thoughtfully and responsibly.

This is the 7th straight year we were able to stay under the 2% tax cap while continuing to provide the services that keep our city safe, invest in our infrastructure and improve the quality of life for our citizens.

In this year’s budget our homestead tax rate shows a decrease of -6.7219% and the non-homestead rate dropped -2.9146%.

This year our water and sewer rates will show no rate increases. These funds are healthy and the City will continue to make up-grades to both facilities and our aging infrastructure.

I will look forward to working together with the City Council as we discuss the finer points and details of the 2020 Budget at our upcoming workshops. Workshops will be held on October 15th, October 28th and November 12th at 7:00 p.m. with department heads present. The public hearing is proposed to be scheduled for November 18, 2019 at 7:00 p.m.

Re: Fiscal Year 2020 Budget Message

Dear Mayor Casale

I want to take this opportunity to thank you and the City Council for giving me an opportunity to continue to serve as the City's Chief Administrative officer and contribute to the City of Beacon. It is my pleasure to present to you for your consideration, the proposed City Operating Budget for Fiscal Year 2020.

As you are aware, the tax cap law established a limit on growth of the annual property taxes levied to two percent or the rate of inflation, whichever is less. This year the tax cap is 2%. There are very limited adjustments that are factored in and only PILOT payments apply to the budget this year. As stated above, the cap is on the tax levy, not the tax rate.

In our case, the allowable levy at cap is \$11,455,743 for the 2020 budget, which is an allowable increase over 2019 budget of \$491,562. This is a 4.48% increase from the 2019 Budget and is a directly related to the Tax Base Growth Factor. This equates to a homestead tax rate decrease of -6.7219% and a non-homestead tax rate decrease of -2.9146%. The tax cap legislation provides for an override of the tax cap with a majority plus one vote in favor of it by the governing body. This is not being recommended.

This year the homestead assessed value increased by 12.33% or \$113,555,017 million. The non-homestead assessed value has also increased over last year by 6.94% or \$18,784,639. This year represents the sixth year since 2010 that the overall assessed values increased, and did so by \$132,339,656 million. For the first time in 10 years, the Homestead values are \$11,457,133 million more than it was in 2009. However, Homestead values remain \$15,586,532 less than it was in 2008. The non-homestead assessed value has fluctuated through the years, and while it increased \$18,784,639 million this year, it is only the 3rd year in a row that it has been more than in 2010.

This budget utilizes a fund balance amount of \$379,842. This is an increase of \$26,271 from what we've utilized in the FY 2019 Budget from Fund Balance and Debt Reserve. Each year

with the improving economy and new developments on the tax rolls, the budget and assessments continue to strengthen. The future non-reliance on fund balance appropriations to balance the annual operating budget will help to provide for a more reliable and sustainable fiscal condition and to better allow the City to adjust during difficult fiscal times.

Significant factors affecting the proposed FY 2020 budget include the following:

- A -3.4% decrease from 2019 of \$11,891 for the City workforce and a - 9.0% decrease from 2019 of \$6,409 for Firefighters (Career and Volunteer) in the Dutchess County Self Insured Workers Compensation Plan;
- general fund health insurance increased significantly, \$190,390 and continues to represents 15% of all expenses in the general fund;
- an increase in general fund long-term debt of \$3,232. Debt service comprises almost 14% of the general fund budget;
- the Solar Farm has completely off-set electricity for City Hall, as well as other City owned buildings;
- a continued reduction of \$75,308 (98%) in the Street Lights Line (5182) from \$82,700 in the FY 2018 Budget to \$7,392 in the requested FY 2020 Budget. The FY 2019 budget requested \$55,000, but only \$4,480 has been spent from that line as of October 4, 2019. It was \$318,000 in the FY 2016 Budget. This reduction is a result of the conversion to LED lights as well as a significant portion from the solar farm by BQ Energy on the City's Landfill;
- with the continued collapse of the recycling industry and market, the Recycling Disposal Line (8160) has increased to \$100,000. The City went from receiving a revenue of fifteen (15) dollars a ton to an expenditure of eighty-two (82.55) dollars a ton. By way of example, the revenue received for recycling in 2017 was \$18,132.

The proposed FY 2020 budget includes the following new or changed positions, changes in service delivery and reorganizations:

- the budget reflects the increase of three (3) career Firefighters in the Fire Department budget (3410), the number of career Firefighters has to sixteen (16). The City received a Staffing for Adequate Fire and Emergency Response (SAFER) Grant in the amount of \$537,423.15 in Federal funding. This award is for three (3) career Firefighters over a three-year period. The grant pays for 75% in the first two years and 35% in the third year;

- the budget reflects the addition of one police officer (3120), bringing our total patrol division to thirty officers (30). The intent is that this officer would be a dedicated Main Street Patrol. The Department's total personnel would be thirty-seven (37), including the Police Chief, Captain and the Detective Division;
- the budget reflects the inclusion of a full-time Human Resource (HR) position in the City Administrator budget (1230) for \$65,000. The main responsibility of the HR person will be to recruit new employees, retain and develop the existing work force, maintain all personnel files, employee benefits and compensation guidance, administration of civil service, training in required local and state policies, and assist in preparing policies and procedures;
- the budget reflects the inclusion of the part time Deputy City Clerk as full time in the City Clerk budget (1410) for \$18,685;
- included in the budget again, is the Climate Smart Coordinator position in the City Council budget (1010) for \$9,500;
- Included in the budget is \$20,000 in the Recreation budget (7140) to work with the Dutchess County Workforce Investment Board (DCWIB) to provide summer work experience opportunities for Beacon youth.

The proposed FY 2020 budget also includes the following:

- the Beacon Free Loop Bus is again included in the Bus Operations budget (5630) for \$12,100;
- included in this year's budget is Dial A Ride for one day in the Bus Operations budget (5630) for \$12,000;
- a \$23,994 or 5% increase in pension costs for non-police and fire (ERS) and a \$111,407 or 12.09 increase in pension costs for police and fire (PFRS);
- overall, gas and diesel usage estimates are up. The City bases its estimates on the U.S. Energy Administration outlook which anticipates an increase, and for the FY 2020 budget we estimated \$2.63 for gas and \$3.16 for diesel.

As compared to the 2019 FY budget, total general fund expenditures are up \$1,118,974, water fund expenditures are up \$89,121 and sewer fund expenditures are up \$206,450. There is no proposed rate increase for water and sewer operations; the city however, will continue to invest

proposed rate increase for water and sewer operations; the city however, will continue to invest in its infrastructure. Revenues in the general fund have increased by \$600,961, with revenues for the water fund up \$126,547 and revenues for the sewer fund are up \$212,891.

On September 23, 2019, the City of Beacon was notified by the New York State Comptroller's Office that the review of the Annual Update Document (AUD) FYE 2018 for the City was completed and indicates that the City for a sixth year in a row is classified as "No Designation" with a score of 5%. The City has been classified as "No Designation" on the environmental scale with a score of 23.3%, which is 3.4% less than FYE 2017. Although environmental factors are outside a locality's control, they can provide some insight to the challenges facing a community. Moody's continues to classify the City with an outstanding bond rating of Aa2, one of the highest in New York State.

All Departments continue to do a fantastic job of holding down annual operating expenditures and have consistently maintained a close relationship between budgeted and actual expenditures and revenues. Despite changes made during each budget year, the City has been able to stay within the annual budget limits, while still providing for necessary operational improvements and sound fiscal planning and management.

I wish to extend my personal thanks to all of the Department Heads for their continued hard work in controlling spending during the year and specifically on bringing the FY 2020 Budget into balance. The City has an incredible management team. I also want to recognize the efforts of the Director of Finance, Susan Tucker, CPA for her talent and hard work in preparing the budget. The City is fortunate to have her knowledge and experience.

Most importantly, I would like to thank the entire City workforce, along with all City volunteers, for their efforts and dedication in carrying out their duties. I look forward to reviewing the proposed budget with you and the City Council during the next month. Thank you.

Respectfully submitted on this 7th day of October 2019.
