**RE: 23-28 Creek Drive Development**

Dear Mr. Bodendorf,

MTA Metro-North Railroad (MNR) takes no exceptions to the referenced Development plan of 23-28 Creek Drive in the City of Beacon, NY 12508.

This "takes no exception" letter makes reference to the *Preliminary Plans dated May 31, 2019* prepared by Hudson Land Design. properly signed and sealed drawings by New York State Licensed Professional Engineer must be submitted to MNR.

An Entry permit must be obtained, either by the Owner or General Contractor for the cleanup and reestablishing the slope on MNR property. The Contractor must submit a schedule for all proposed work on MNR property. All workers must take the online Contractors Safety Course.

Should you have any questions, please contact me at [Beloff@mnr.org](mailto:Beloff@mnr.org) or 914-271-1600.

Sincerely,

A handwritten signature in black ink, appearing to read "Christopher Beloff".

Christopher Beloff  
Construction Engineer – Construction Management I&C  
MTA Metro-North Railroad
