Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The proposed action is the sale of real property located on Melio Bettina Place, known and designated as Tax ID # 5954-28-942947 (the "Property") by the City of Beacon to Seven and One Developments, LLC for \$95,000. The Property is 0.1 acres and is currently vacant. The City of Beacon does not need this Property for any municipal purpose. The proposed action does not involve any alteration or physical change to the Property. Any future development of the site will require additional SEQRA review and shall comply with all federal, state and local laws and procedures. Therefore, the proposed action will not result in any significant adverse impacts to the environment.

Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
