The City Police Department may direct special exceptions to this notice in the interest of public safety; inclement weather, natural/manmade disasters.

C. Response time

During regular business hours (9:00 a.m. to 5:00 p.m) the maximum response time from the time the Towing Company receives a call for service shall be twenty (20) minutes. Outside of regular business hours, maximum response time shall not exceed thirty (30) minutes.

E. Towing of City Vehicles

The Towing Company shall tow City vehicles to the City's garage facilities or other designated location free of charge to the City, provided that said vehicle and garage facility or other designated location are located within fifteen (15) miles of City Hall at the time the call for service is made.

F. Calls for Service

Calls for service made by a Beacon Police Officer at the request of a vehicle owner, such as calls via AAA or special request to a particular tow service, shall not be considered a call for service by the City pursuant to this Agreement. In such instance, the Towing Company may charge its ordinary and customary rate.

G. Emergency Situations

Subject to circumstances as they unfold, the Police Department may, at their discretion, suspend all or part of this Agreement in the interest of public safety.

H. Debris and road cleanup

The Towing Company shall clean up all debris from any vehicle towed, including hazardous materials, if not otherwise directed by an enforcement authority at the scene. Such clean-up shall be conducted as part of the Towing Company's service at no charge to the City. Failure to complete clean-up may result in the Towing Company being cited for violating VTL Section 1219 and/or suspension or termination of this Towing Agreement for poor service.

I. Vehicles towed due to violation

A written release from the Beacon Police Department shall be a prerequisite for the Towing Company to release vehicles towed due to a violation that would prohibit the vehicle from being operated (suspended registration, uninsured, unregistered, equipment safety violation, etc.) or operated by a specific person (unlicensed, AUO, DWI, etc.)

J. Payment

The Towing Company must accept cash payment and at least (2) major credit cards. The only exceptions are that the Towing Company may charge cash only for impounds or abandoned vehicles.

K. Failure to respond

1. The Towing Company shall communicate to Police Dispatch any and all delays or missed responses they encounter while responding to a dispatched call which may prohibit them from arriving on scene within the required time. All communications will be made by phone to the Police Dispatch.
2. The following shall constitute delays or missed responses by the Towing Company
 - a. Failure or refusal to respond to a call for service
 - b. Physical incapability to tow a particular vehicle.
 - c. Failure to respond timely to a call for service.
3. Upon two (2) or more missed responses, the City shall have the option of suspending or terminating this Agreement, at the City's sole discretion.
4. The City shall have the option to suspend or terminate this Agreement in response to poor service or complaints by members of the Police Department or the public.

L. Availability

1. The Towing Company must be available 24 hours a day, 7 days a week, 365 days a year. They must maintain a 24 hour answering service or dedicated phone line staffed by live personnel to take calls for service. Multiple violations may result in the suspension or revocation of this Agreement.
2. The Towing Company shall permit access, during normal business hours, to an impounded or stored vehicle by the owner of that vehicle for the purpose of removing items of property in the nature of personal effects from the vehicle. Any lien on the vehicle to which the Tow Company is entitled shall not include such property.

M. Equipment Requirements

1. The Towing Company must have a minimum equipment of two (2) or more Tow Trucks in service at all times, at least (1) of which must be a flatbed. All tow trucks must be reasonably equipped as necessary to furnish emergency towing and road service. All Tow Trucks and Towing Services must be compliant with State and Federal regulations. Pickup trucks shall not be used in lieu of a Tow Truck.

N. Call for assistance

2. The Chief of Police is authorized to develop such other rules and regulations as he deems appropriate to maintain and enforce effective and responsive towing services.

O. Disposal of Vehicles

1. If the City does not choose to exercise its right to take custody and ownership of an abandoned vehicle as prescribed by § 1224 of the New York State Vehicle and Traffic Law, the Towing Company may transfer such vehicle to a registered vehicle dismantler or itinerant vehicle collector if the vehicle has a wholesale value of \$1,250 or less, is 10 or more model years old and has been abandoned for at least one month. The Towing Company may also choose to salvage the vehicle after obtaining a New York State Salvage Certificate (MV-907A) from the New York State Department of Motor Vehicles with the full cooperation of the City of Beacon. In the event that the vehicle is less than 10 years old or if the vehicle dismantler or itinerant vehicle collector pays more than \$1,250, the Towing Company must obtain title or a transferable registration from the City as property owner of the abandoned vehicle. In no event shall the Towing Company require the City to pay the towing and service fees incurred by such vehicle after taking title.

In the event that there are no available registered vehicle dismantlers or itinerant vehicle collectors located within 15 miles of City Hall the parties agree to renegotiate in good faith

the expense born by the towing company for dismantling the vehicle. In the event that a new agreement is not reached, the Towing Company may cancel the Contract if more than 18 months remains on the Contract.

2. The Towing Company shall contact the City of Beacon Police Department to verify that the vehicle has not been reported as stolen prior to disposal of any unclaimed or abandoned vehicle.
 3. If the City exercises its right to take custody and ownership of an abandoned vehicle pursuant to Section 1224 of the Vehicle and Traffic Law, such vehicle shall be sold at public auction and the minimum bid shall be set to equal the towing and storage fees incurred by such vehicle. Funds obtained by the City for vehicles sold at public auction shall be the exclusive source of payment to the Towing Company to satisfy any lien on the vehicle and payment shall only be made upon submission of a proper voucher to the City. The City shall hold surplus funds so realized for one year from the date of sale for the benefit of the owner of the vehicle at the time of abandonment. If unclaimed by the owner within one year time period, such monies shall be paid into the General Fund of the City of Beacon.
 4. The Towing Company has the option to accept any bid below the minimum established bid as full satisfaction of towing and storage fees incurred by such vehicle or the Towing Company may choose to take possession to salvage and repair the vehicle or transfer the vehicle to a registered vehicle dismantler or itinerant vehicle collector..
 5. The Towing Company shall allow its premises to be used, without charge, by the City for purposes of conducting auctions where necessary to dispose of vehicles.
