5. The fifth amendment is to cover the costs of increased costs of Health insurance claims during the year as well as increased MVP premiums (more than anticipated). The City does not anticipate that the claims costs for 2016 will continue into 2017 due to some of the high cost claimants becoming Medicare eligible. The substantial cost of the MVP plan for retirees will continue until all switch to Empire. Some of this cost is offset by reimbursements and the remaining can be offset by other unexpended appropriations. Below is the proposed budget amendment:
