Section 2. Chapter 223, Article IVB of the Code of the City of Beacon entitled “Affordable Workforce Housing” is hereby amended as follows:

§ 223-41.8 Findings.

The City Council of the City of Beacon acknowledges the high cost of housing compared to average earnings in the City and County, and this trend has grown more noticeable as land and housing values have increased in recent years. Maintaining and ensuring a balanced mix of housing types and sizes that are affordable to a range of incomes is essential to ensuring the long-term health of the community. Such balanced housing stock enables a variety of residents to live and work in the City, maintain family ties, and participate in community services, such as emergency services. Balanced housing is also essential to attracting and maintaining an adequate workforce, a healthy business environment, and a balanced tax base that supports local services and the quality of life. It is therefore important for the City to maintain a mix of housing choices and to require the creation of new or rehabilitated below-market-rate (BMR) units in future renovation and development. The primary purpose of this Article is to allow the City to maintain an appropriate mix of housing choices by creating a required number of quality new or rehabilitated below-market-rate (BMR) units in future renovation and development. The goal is not to offer a limited number of high-end units for a few qualified households, but to provide as many quality affordable and workforce housing units as possible, integrated throughout the City.

§ 223-41.9 **Provision of BMR units; ~~payment in lieu thereof.~~**

To achieve the purposes above, the approval authority shall require that 10% of all projects containing ~~10~~ 20 or more apartment dwellings and/or attached dwellings (townhouses) as defined in §223-63 of this chapter, shall be comprised of below-market-rate units as defined and regulated in this article. Any fraction at or above 0.5 shall be rounded up to the nearest whole number, and any fraction below 0.5 shall be rounded down. ~~Notwithstanding the requirement immediately above, the City Council, at its discretion, may allow the applicant to make a payment to the City in lieu of the provision of some or all of the required BMR units, in an amount determined by the City Council to be the value of the waived BMR units; said payment shall be made into a trust fund dedicated to the provision of affordable workforce housing in the City.~~ Subject to the Planning Board's approval, Developer shall provide BMR units mixed throughout the same building(s). Units designated as BMR units must remain affordable for a minimum of 50 years from date of initial certificate of occupancy for rental properties and from date of original sale for owner-occupied units.

Further, the BMR units shall be provided in a mix of unit types in the same proportion as all other units in the development unless a different proportion is approved by the Planning Board as being better related to the housing needs, current or projected, of the City of Beacon.
