RE: Kristy Drive Cul-de-sac  
Drainage Replacement  
City of Beacon  
Award Recommendation

Dear Mr. Ruggiero:

A total of three (3) bid proposals were submitted and opened on June 19<sup>th</sup>, 2017 for the ***Kristy Drive Cul-de-sac Drainage Replacement*** project. The project entails the replacement of a deteriorated 36" corrugated metal pipe with a new 36" HDPE pipe, at a depth along the line ranging from 16 feet to 8 feet along more than 50% of the run. The three proposals were carefully reviewed; all multiplication between estimated quantities and unit prices checked; and addition of total prices checked against the total contract amount. All proposals submitted were complete.

The following tabulation shows the order from lowest bidder, the name of the bidder, and the total contract amount. The engineer's estimate for the storm drainage replacement was approximately \$75,000.00, given the extreme depths of the line.

NAME OF BIDDER	TOTAL CONTRACT AMOUNT
B&K Excavation, Inc. Pleasant Valley, NY	\$70,773.00
Nicky Diggs Excavation Katonah, NY	\$73,433.50
Sun Up Enterprises, Inc. Wappingers Falls, NY	\$123,378.00

The lowest bidder is B&K Excavation, Inc., with the total base bid amount of \$70,773.00. B&K Excavation has submitted information related to several projects in which they have completed the work as outlined within the proposed project. References supplied were called and checked to verify the work completed by the prospective low bidder, and were found to be acceptable. In our opinion, B&K Excavation should be considered the lowest responsible bidder based upon the submitted information and Chapter 53 of the City Code. Along with the bid, the contractor has submitted a Non-Collusive Bidding Certificate, and a Bid Bond.

It is our recommendation to the City Council to award the ***Kristy Drive Cul-de-sac Drainage Replacement*** project to B&K Excavation, Inc.

If you have any questions, or need any further information, please do not hesitate to contact our office.

Very truly

LANC & TULLY, P.C.
