RE: City Council Request to Review Local Law to permit Retail Sales from a Truck or Trailer in the Linkage Zone

DATE: January 10, 2018

As requested the Planning Board reviewed the proposed local law to add “retail sales from a truck or trailer” as a permitted use in the Linkage Zone, in accordance with §223-26.3, similar to that permitted in the CB Zoning District. A lengthy review and discussion of the proposed law took place with the City Planner, City Attorney and Building Inspector Tim Dexter. After careful consideration members voted unanimously to recommend adoption of the local law as presented. If you have any questions, please feel free to contact me.
