

CITY OF BEACON

One Municipal Plaza

Beacon, New York 12508

Mayor Randy Casale Councilman Lee Kyriacou, At Large Councilman George Mansfield, At Large Councilwoman Peggy Ross, Ward 1 Councilman Omar Harper, Ward 2 Councilwoman Pam Wetherbee, Ward 3 Councilman Ali Muhammad, Ward 4 City Administrator Anthony Ruggiero

October 2, 2017 7:00 PM City Council Agenda

Call to Order

Pledge of Allegiance

Roll Call

Public Comment:

Each speaker may have one opportunity to speak up to three minutes on any subject matter other than those which are the topic of a public hearing tonight. Please sign in at the podium. This segment will last no longer than thirty minutes, with speakers recognized in the order they appear on the sign-in sheet. A second public comment opportunity will be provided later in the meeting for those who do not get to speak during this first segment.

Presentations:

2018 City Budget

Public Hearings:

2018 CDBG Grant Program

Reports:

- Council Member Ali Muhammad
- Council Member Omar Harper
- Council Member Lee Kyriacou
- Council Member George Mansfield
- Council Member Pam Wetherbee
- Council Member Peggy Ross
- City Administrator, Anthony Ruggiero
- County Legislators
- Mayor Randy Casale

Local Laws and Resolutions:

- Resolution Authorizing the Request of Roseneth Estates, LLC for an Extension of Time to Submit a Complete Building Permit
- 2. Resolution to Schedule a Public Hearing for October 16, 2017 to Receive Comments Concerning an Amendment to the Local Law Enacting the Residential Building Moratorium

Budget Amendments:

Budget Amendment 10-02-17

2nd Opportunity for Public Comments:

Each speaker may have one opportunity to speak up to three minutes on any subject matter other than those which are the topic of a public hearing tonight. This segment will last no longer than thirty minutes. Those who spoke at the first public comment segment are not permitted to speak again.

Executive Session:

1. Contract Negotiations

Randy Casale, Mayor City of Beacon One Municipal Plaza Beacon, New York 12508 845-838-5010 - Office 845-838-5012 - Fax

October 2, 2017

Before I introduce my 2018 Budget, I would like to take a moment to mention the NYS Comptroller's Fiscal Stress Monitoring System. The Fiscal Stress Monitoring System is a tool developed in 2012 by State Comptroller Thomas DiNapoli as a way of identifying local governments experiencing fiscal strain. Local governments submit data (the Annual Update Document) to the State. The data is categorized into two areas; financial indicators, which evaluate the local government's ability to generate revenue to meet expenditures and environmental indicators, which are basically, population, age, poverty, property values, employment base, intergovernmental revenues, constitutional tax limit and sales tax revenue. This review results in an assignment of a fiscal stress score. A score of 44.9 percent or less is not given a fiscal stress designation. I am pleased to announce that on Sept 25, 2017 the Comptroller's Office notified us and for the fourth year in a row, the City of Beacon scored a healthy 1.7% on the fiscal stress scale. Additionally, the City has been classified as "No Designation" on the environmental scale; decreasing from 23.30% to 15.0%.

It is also clear, by our <u>Aa2</u> Moody's Bond Rating, that our tax dollars are being managed thoughtfully and responsibly. Now, I would like to thank our City Administrator, Finance Director and all of our department heads and employees for their dedication and conscientious adherence to fiscal prudence.

The 2018 Budget will keep us on the positive path that we've started. We were once again able to stay within the State imposed tax cap. The 2% tax cap is the "Allowable tax levy growth factor"

and is based on the Consumer Price Index (CPI) data which is actually only 1.84% this year. Combined with the "Tax base growth factor" of 1.16% we were allowed to increase our tax levy \$273,972. This amounts to a homestead tax rate decrease of 2.0127% and a non-homestead rate decrease of 3.9782%. In addition, we were able to reduce the amount of funds we take from accumulated fund balance from \$162,980 in the 2017 budget to \$148,317 projected in the 2018 Budget. It is our goal to eliminate the use fund balance completely. As our City is growing, we can concentrate on providing services, investing in our infrastructure and improving the quality of life for our citizens.

I will look forward to working together with the City Council as we discuss the finer points and details of the 2018 Budget at our upcoming workshops. Workshops will be held on October 30 and November 13 at 7:00 p.m. with department heads present. The public hearing is scheduled for December 4 at 7:00 p.m.

CITY OF BEACON New York

Office of the City Administrator

Anthony J. Ruggiero, M.P.A. City Administrator

E-mail: aruggiero@cityofbeacon.org

October 2, 2017

The Honorable Randy Casale One Municipal Plaza Beacon, New York 12508

Re: 2018 Budget Message

Dear Mayor Casale

First and foremost, I want to thank you and the City Council for giving me an opportunity to continue to serve as the City's Chief Administrative officer and contribute to the City of Beacon. It is my pleasure to present to you for your consideration, the proposed City Operating Budget for Fiscal Year 2018.

As you are aware, the tax cap law established a limit on growth of the annual property taxes levied to two percent or the rate of inflation, whichever is less. Based on the released Consumer Price Index (CPI) data in August 2017, this year the cap is actually 1.84%, not 2%. There are very limited adjustments that are factored in and only PILOT payments apply to the budget this year. As stated above, the cap is on the tax levy, not the tax rate.

In our case, the allowable levy at cap is \$10,593,191 for the 2018 budget, which is an allowable increase over 2017 budget of \$273,972. This equates to a homestead tax rate decrease of -2.0127% and a non-homestead tax rate decrease of -3.9782%. The tax cap legislation provides for an override of the tax cap with a majority plus one vote in favor of it by the governing body. This is not being recommended, nor is it necessary for this budget.

This year the homestead assessed value increased by 5.15% or \$43,600,188 million. The non-homestead assessed value has also increased over last year by 5.95% or \$13,718,679. This year represents the fourth year since 2008 that the overall assessed values increased, and did so by \$57,318,867 million. Homestead values remain nearly \$160 million less than it was in 2008. The non-homestead assessed value has fluctuated since 2008, although it increased approximately \$13.7 million this year, it still \$12.8 million less than in 2008.

This budget utilizes a fund balance amount of \$148,317. This is a decrease of \$14,663 from what we've utilized in the FY 2017 Budget and a decrease of \$99,183 of what we used in the FY 2016 Budget. Each year with the improving economy and new developments on the tax rolls, the budget and assessments continue to strengthen. I continue to recommend that the City does not rely on a fund balance appropriation to fund operational expenses. The more fiscally prudent action is to utilize fund balance to offset capital costs and one-time unexpected costs and not use it to balance the budget. The future non-reliance on fund balance appropriations to balance the annual operating budget will help to provide for a more reliable and sustainable fiscal condition and to better allow the City to adjust during difficult fiscal times.

The proposed FY 2018 budget includes the following new or changed positions, changes in service delivery and reorganizations:

- ➤ the budget reflects the change of one-part time Recreation Assistant to full time in the Recreation Department budget (7140), bringing our total Recreation Staff to three Full Time Employees (FTE) and one Part Time Employee (PTE);
- ➤ the budget reflects the addition of one police officer (3120), bringing our total patrol division to twenty-nine officers (29). The Department's total personnel would be thirty-six (36), including the Police Chief, Captain and the Detective Division;
- the continued inclusion of the grant writing services of Millennium Strategies (1010);
- ➤ the budget reflects the addition of \$60,000 under the Administrator (1230) Consultant line to hire a consulting firm to assist the City in creating a comprehensive Asset Management and Capital Improvement Plan;

The proposed FY 2018 budget also includes the following:

- ➤ the Afterschool Program is again included in the 2018 Recreation Department budget (7140), which represents \$148,650 in expenditures and \$150,000 in revenues;
- ➤ the Camp @ the Camp is again included in the 2018 Recreation Department budget (7140), which represents \$57,863.43 in expenditures and \$59,250 in revenues;
- ➤ the South Avenue Park Days is again included in the 2018 Recreation Department budget (7140) for an increase of five days, which represents \$5,000 in expenditures;
- ➤ a \$9,854 or 2% decrease in pension costs for non-police and fire (ERS) and a \$15,094 or 1.55% decrease in pension costs for police and fire (PFRS);
- ➤ an 8% increase from 2017 of \$24,104 in the Dutchess County Self Insured Workers Compensation Plan. This is the first increase in 3 years;

- ➤ all general fund health insurance lines remained flat, including dental and vision, health insurance represents 14% of all expenses in the general fund;
- ➤ an increase in general fund long-term debt of \$7,811 and an increase in short-term debt of \$71,932; and
- ➤ a 10% increase in the sewer rates and a 0% increase in the water rates. The rate increase in sewer is reflective of the continued improvements on the sewer infrastructure over the last 5 years. The Consolidation Study and survey of surrounding communities shows that the City of Beacon continues to have the lowest sewer rates of the communities;
- ➤ a continued reduction of \$108,275 (57%) in the Street Lights Line (5182) from \$190,975 in the FY 2017 Budget to \$82,700 in the requested FY 2018 Budget. It was \$318,000 in FY 2016 Budget;
- > every week recycling is again included in the Recycling Hauling line (8160) \$238,00;
- ➤ Overall, gas and diesel are down significantly. The City bases its estimates on the U.S. Energy Administration outlook, and for the FY 2018 budget we estimated \$2.34 for gas and \$2.72 for diesel;

As compared to the 2017 budget, total general fund expenditures are up \$446,173, water fund expenditures are up \$69,446 and sewer fund expenditures are up \$104,264. The resultant rate increase to support sewer operations is 10%; which allows the City to continue to invest in its infrastructure. Revenues in the general fund have increased to cover expenditure and are up \$206,864, with revenues for the water fund up \$69,446 and revenues for the sewer fund are up \$104,264. The water fund budget and the sewer fund budget includes no appropriation of fund balance.

On September 25, 2017, the City of Beacon was notified by the New York State Comptroller's Office that the review of the Annual Update Document (AUD) FY 2016 for the City was completed and indicates that the City for a fourth year in a row is classified as "No Designation" with a score of 1.70%. The City has been classified as "No Designation" on the environmental scale; decreasing from 23.30% to 15.0%. Although environmental factors are outside a locality's control, they can provide some insight to the challenges facing a community. Moody's continues to classify the City with an outstanding bond rating of Aa2, one of the highest in New York State.

All Departments have done a fantastic job of holding down annual operating expenditures and have consistently maintained a close relationship between budgeted and actual expenditures and revenues. Despite changes made during each budget year, the City has been able to stay within the annual budget limits, while still providing for necessary operational improvements and sound

fiscal planning and management. We have done this even against a 13.27% decline in total assessed values throughout the City since 2008 and a steady reduction on our reliance on one-time "fixes" to balance the budget, such as the use of fund balance.

I wish to extend my personal thanks to all of the Department Heads for their continued hard work in controlling spending during the year and specifically on bringing the FY 2018 Budget into balance. I also want to recognize the efforts of the Director of Finance, Susan Tucker, CPA for her talent and hard work in preparing the budget.

Most importantly, I would like to thank the entire City workforce, along with all City volunteers, for their efforts and dedication in carrying out their duties. I look forward to reviewing the proposed budget with you and the City Council during the next month. Thank you.

Respectfully submitted on this 2rd day of October 2017.

Anthony J. Ruggiero,

City Administrator

CITY OF BEACON 2018 TENTATIVE BUDGET SUMMARY

ARTICLE NO. 362

CITY OF BEACON CITY COUNCIL

RESOLUTION NO. OF 2017

GRANTING EXTENSION OF TIME TO SUBMIT A COMPLETE BUILDING PERMIT FOR THE ROSENETH ESTATES, LLC PROPERTY

WHEREAS, Roseneth Estates, LLC and Rodney Weber (collectively referred to as "Applicants") are the owner of certain real property formerly known as Roseneth Estates which was acquired by the City of Beacon pursuant to an In Rem tax foreclosure proceeding and thereafter sold and conveyed with certain conditions of sale set forth in the Quit Claim Deed; and

WHEREAS, Condition I(10) of the Conditions of Sale set forth in the Deed required the Applicants to submit a complete building permit application for a single family home within forty-five (45) days of the final subdivision approval and said building permit was issued on October 12, 2016; and

WHEREAS, Condition I(12) of the Conditions of Sale set forth in the Deed requires the Applicants to diligently pursue construction and obtain a Certificate of Occupancy for the dwelling within one (1) year of the date of issuance of the Building Permit, to wit October 12, 2017; and

WHEREAS, the Applicants have submitted a request dated September 18, 2017 requesting the City Council grant a 180 day extension until April 12, 2018 for the Applicants to comply with Condition I(12) of the Conditions of Sale; and

WHEREAS, the City Council has considered the Applicants request at its September 25, 2017 work session.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Beacon find that the Applicants had set forth a good faith reason for not being able to comply with Condition I(12) of the Conditions of Sale set forth in the Deed and hereby extends the Applicants time to comply with said condition until January 31, 2018. All other Conditions of the Sale set forth in the Deed remain unaltered by this Resolution.

DRAFT LOCAL LAW NO. ____ OF 2017

CITY COUNCIL CITY OF BEACON

PROPOSED LOCAL LAW TO AMEND CITY OF BEACON MORATORIUM ON DEVELOPMENT

A LOCAL LAW to amend moratorium on development to add an exemption for existing industrial/manufacturing buildings

BE IT ENACTED by the City Council of the City of Beacon as follows:

Section 1. Section 3.2 of the City of Beacon Moratorium on Development is hereby amended as follows:

Section 3. MORATORIUM

. . .

2. All applications for building permits, use variance, area variance, special use permit, site plan approval and subdivision approval submitted to the City on or before July 25, 2017 or pending before the Building Department or Land Use Board are exempt from this moratorium. Any application submitted after July 25, 2017 may be heard and reviewed by the Planning Board or Zoning Board of Appeals, but may not be subject to a vote. The Land Use Board may hold public hearing and discuss the application, but the Land Use Board may not formally approve or deny such application. Any building permit application for a single family home and any application seeking a modification or extension of an existing approval that does not increase the density (by unit or bedroom count) shall be exempt from this moratorium. Any residential application that would result in an increase in water usage of less than 330 gallons of water per day, as determined by the City Engineer, is exempt from this moratorium. Any non-residential application that would result in an increase in water usage of less than 2,000 gallons per day, as determined by the City Engineer, is exempt from this moratorium. In addition, this moratorium shall not apply to the reuse of any existing nonresidential building for industrial or manufacturing uses, as determined by the Building Inspector, where such use does not increase the existing building footprint.

Section 2. Ratification, Readoption and Confirmation

Except as specifically modified by the amendments contained herein, the City of Beacon Moratorium on Development is otherwise to remain in full force and effect and is otherwise ratified, readopted and confirmed.

Section 3. Numbering for Codification

It is the intention of the City of Beacon and it is hereby enacted that the provisions of this Local Law shall be included in the Code of the City of Beacon; that the sections and subsections of this Local Law may be re-numbered or re-lettered by the Codifier to accomplish such intention; that the Codifier shall make no substantive changes to this Local Law; that the word "Local Law" shall be changed to "Chapter," "Section" or other appropriate word as required for codification; and that any such rearranging of the numbering and editing shall not affect the validity of this Local Law or the provisions of the Code affected thereby.

Section 4. Severability

The provisions of this Local Law are separable and if any provision, clause, sentence, subsection, word or part thereof is held illegal, invalid or unconstitutional, or inapplicable to any person or circumstance, such illegality, invalidity or unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, subsections, words or parts of this Local Law or their petition to other persons or circumstances. It is hereby declared to be the legislative intent that this Local law would have been adopted if such illegal, invalid or unconstitutional provision, clause, sentence, subsection, word or part had not been included therein, and if such person or circumstance to which the Local Law or part hereof is held inapplicable had been specifically exempt there from.

Section 5. Effective Date

This local law shall take effect immediately upon filing with the Office of the Secretary of State.
