Call to Order

Pledge of Allegiance

Roll Call

Public Comment:

Each speaker may have one opportunity to speak up to three minutes on any subject matter other than those which are the topic of a public hearing tonight. Please sign in at the podium. This segment will last no longer than thirty minutes, with speakers recognized in the order they appear on the sign-in sheet. A second public comment opportunity will be provided later in the meeting for those who do not get to speak during this first segment.

Public Hearings:

- Proposed Local Law to Permit Food Trucks in the Linkage District by Special Permit
- Proposed Local Law to Amend Chapter 223 of the Code of the City of Beacon concerning Medical Services Accessory Structure
- Proposed Local Law to Amend Chapter 223 of the Code of the City of Beacon concerning the Central Main Street District (CMS)
- Proposed Local Law to Amend Chapter 223 of the Code of the City of Beacon concerning the Fishkill Creek Development District (FCDD)
- Proposed Amendments to the City of Beacon Comprehensive Plan Update Involving Changes to the Central Main Street (CMS), Central Business (CB), Off-Street Parking (PB), R1-5, RD-4, Local Business (LB), Fishkill Creek Development (FCD), General Business (GB), Light Industrial (LI) and the Waterfront Park (WP).
- Proposed Local Law to Amend the Zoning Map of the City of Beacon

Reports:

- Council Member Ali Muhammad
- Council Member Omar Harper
- Council Member Lee Kyriacou
- Council Member George Mansfield
- Council Member Pam Wetherbee
- Council Member Peggy Ross
- City Administrator, Anthony Ruggiero
- County Legislators
- Mayor Randy Casale

Local Laws and Resolutions:

1. Resolution to adopt negative declaration concerning the comprehensive plan amendments and local laws to amend the City Zoning Map and Chapter 223 of the Code of the City of Beacon
2. Resolution to adopt amendments to the City of Beacon Comprehensive Plan Update
3. Resolution to adopt Local Law to Amend the Zoning Map of the City of Beacon
4. Resolution to adopt a local law to amend chapter 223 of the Code of the City of Beacon concerning the Fishkill Creek Development District
5. Resolution to adopt a local law to amend Chapter 223 of the Code of the City of Beacon concerning the Central Main Street District
6. Resolution to Authorize Agreement for Sale of City DPW Property on Creek Drive
7. Resolution to adopt SPCA Agreement
8. Resolution for Appointments
9. Resolution Re: Certiorari Settlement - Mtr of Faith W. Fina Trustee v. City of Beacon, et al.
10. Resolution to Set a Public Hearing for Assessment of Condo/Rental Conversions

2nd Opportunity for Public Comments:

Each speaker may have one opportunity to speak up to three minutes on any subject matter other than those which are the topic of a public hearing tonight. This segment will last no longer than thirty minutes. Those who spoke at the first public comment segment are not permitted to speak again.

Adjournment:

DRAFT LOCAL LAW NO. ____ OF 2017

**CITY COUNCIL
CITY OF BEACON**

**PROPOSED LOCAL LAW TO AMEND
CHAPTER 223 OF THE CODE OF THE
CITY OF BEACON**

A LOCAL LAW to amend Chapter 223 to permit retail sales from a truck or trailer in the Linkage Zoning District by special permit.

BE IT ENACTED by the City Council of the City of Beacon as follows:

Section 1. Chapter 223 Section 41.21, Subsection B of the Code of the City of Beacon entitled “Uses by special permit” is hereby amended as follows:

§223-41.21. Regulations.

...

B. Uses by special permit.

(1) The following uses are allowed in existing buildings as permitted uses. For newly constructed buildings, the following uses are allowed by special permit from the Planning Board, upon a finding that the proposed use is consistent with the City of Beacon Comprehensive Plan, will enhance the architectural character of the street, and will contribute to creating a more urban, pedestrian-friendly quality in the L District, and that the conditions and standards in § 223-18B(1)(a) through (d) have been met:

- (a) Retail, personal services business or restaurant, coffee house, retail sales from trucks or trailers in accordance with § 223-26.3 or other establishment that serves food, with or without alcoholic beverages, provided that:

[1] The floor area is not greater than 5,000 square feet;

[2] The use is within 400 feet of the Route 9D-Beekman Street intersection, as identified on the Zoning Map, or located along the north side of West Main Street between Beekman Street and River Street; and

[3] The Planning Board finds that there are no substantial detrimental effects on parking, traffic or on the character of surrounding neighborhoods or the community.

(b) Office and manufacturing uses, including but not limited to microbreweries, microdistilleries, wineries and other food preparation businesses, with or without tasting rooms, that may also sell goods made on the site for consumption off the premises, provided that:

[1] The total floor area of the building is no greater than 25,000 square feet;

[2] The use is on West Main Street or the use is within 400 feet of the Route 9D-Beekman Street intersection as identified on the Zoning Map; and

[3] The Planning Board finds that there are no substantial detrimental effects on parking, traffic or on the character of surrounding neighborhoods or the community.

(c) Artist live/work space in accordance with § 223-24.3.

(2) In considering the appropriateness of the proposed use, the Planning Board shall consider impacts on shadows, traffic, and parking and may impose traffic and parking mitigation measures, including but not limited to provision of pedestrian walkways and stairways on site. When making a decision on a special permit, the Planning Board shall follow the procedures indicated in § 223-41.21H(2) of this chapter.

Section 2. Ratification, Readoption and Confirmation

Except as specifically modified by the amendments contained herein, Chapter 223 of the City of Beacon is otherwise to remain in full force and effect and is otherwise ratified, readopted and confirmed.

Section 3. Numbering for Codification

It is the intention of the City of Beacon and it is hereby enacted that the provisions of this Local Law shall be included in the Code of the City of Beacon; that the sections and subsections of this Local Law may be re-numbered or re-lettered by the Codifier to accomplish such intention; that the Codifier shall make no substantive changes to this Local Law; that the word “Local Law” shall be changed to “Chapter,” “Section” or other appropriate word as required for codification; and that

any such rearranging of the numbering and editing shall not affect the validity of this Local Law or the provisions of the Code affected thereby.

Section 4. Severability

The provisions of this Local Law are separable and if any provision, clause, sentence, subsection, word or part thereof is held illegal, invalid or unconstitutional, or inapplicable to any person or circumstance, such illegality, invalidity or unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, subsections, words or parts of this Local Law or their petition to other persons or circumstances. It is hereby declared to be the legislative intent that this Local law would have been adopted if such illegal, invalid or unconstitutional provision, clause, sentence, subsection, word or part had not been included therein, and if such person or circumstance to which the Local Law or part hereof is held inapplicable had been specifically exempt there from.

Section 5. Effective Date

This local law shall take effect immediately upon filing with the Office of the Secretary of State.

DRAFT LOCAL LAW NO. ____ OF 2017

**CITY COUNCIL
CITY OF BEACON**

**PROPOSED LOCAL LAW TO AMEND
CHAPTER 223 OF THE CODE OF THE
CITY OF BEACON**

A LOCAL LAW to
amend Chapter 223,
concerning
temporary medical
service accessory
structures.

BE IT ENACTED by the City Council of the City of Beacon as follows:

Section 1. Chapter 223, Attachment 1 of the Code of the City of Beacon entitled “§ 223-17C, Schedule of Regulations For Residential Districts” is hereby amended to add the following permitted as an accessory use:

12. A single temporary structure not exceeding 250 square feet in compliance with section 223-17E and located in the rear or side yard and connected to the principal dwelling unit in a manner that is satisfactory to the Building Inspector for a period not exceeding one (1) year, solely to be used, without charge, by the owner or occupant of the dwelling unit or an individual related to the owner or occupant, for medical services to be provided until permanent accessible housing can be arranged, as demonstrated by a medical note and other proof to the satisfaction of the Building Inspector. The Building Inspector, upon good cause shown, may extend the one (1) year limitation for a period not to exceed one (1) year.

Section 2. Ratification, Readoption and Confirmation

Except as specifically modified by the amendments contained herein, Chapter 223, Attachment 1 of the City of Beacon is otherwise to remain in full force and effect and is otherwise ratified, readopted and confirmed.

Section 3. Severability

The provisions of this Local Law are separable and if any provision, clause, sentence, subsection, word or part thereof is held illegal, invalid or unconstitutional, or inapplicable to any person or circumstance, such illegality, invalidity or unconstitutionality, or inapplicability shall not affect or impair any of the

remaining provisions, clauses, sentences, subsections, words or parts of this Local Law or their petition to other persons or circumstances. It is hereby declared to be the legislative intent that this Local law would have been adopted if such illegal, invalid or unconstitutional provision, clause, sentence, subsection, word or part had not been included therein, and if such person or circumstance to which the Local Law or part hereof is held inapplicable had been specifically exempt there from.

Section 4. Effective Date

This local law shall take effect immediately upon filing with the Office of the Secretary of State.

Memorandum

Planning Board

TO: Mayor Randy Casale and City Council Members

FROM: Planning Board Chairman Sheers and Planning Board Members

RE: City Council request to review Comprehensive Plan Amendment, changes to the Zoning Map, and changes to the text of the CMS and FCD zoning districts

DATE: December 13, 2017

At the November 11, 2017 and December 12, 2017 Planning Board meetings, members reviewed amendments to the Comprehensive Plan, changes to the Zoning Map, and changes to the text of the CMS and FCD zoning districts as requested. A comprehensive review and lengthy discussion took place with the City Planner and City Attorney. Below please find the Board's comments and recommendations:

Residential versus Commercial Density:

It is becoming increasingly clear that developers when offered a choice between residential and commercial development will choose residential. To achieve a desirable balance between the two land uses, commercial development should be mandatory in the areas wherever it is being considered. The balance between the land uses has become skewed and we unanimously recommended that effort to create more commercial zoning to rebalance the city's land use. Parking for properties on Main Street really needs to be addressed in a manner that doesn't routinely require waiving of spaces by the planning board and/or variances by the ZBA. Again this was unanimous.

Building height on Main Street:

After a lot of discussion we recommend that the proposed CMS limit of three stories with a 4th story set back from the front (and from the back if facing a residential area) be established. A corresponding maximum height should be established at the same time. In the historic overlay district, the 4th floor should be by Special Permit only. Transition buffers between high story buildings zones and important shorter structures such as the Post Office, the Howland Cultural Center and buildings near Main Street such as the Madame Brett Homestead need to be established.

Approvals granted but with no construction started:

In the absence of a “grandfathering” clause in the proposed local laws, an applicant who has already received land use approvals would have to revise their plans and go through the entire approval process once again if their approved plans do not conform to the new zoning laws. After a lot of discussion we came to the conclusion that approved projects should be grandfathered as long as substantial construction begins within a year of the enactment of the new zoning laws. In a project with multiple phases only phase one need be started.

FCDD:

Site Plan Approvals in FCDD (page 7) says time limits “may be” established by the Planning Board for construction. We think that this should read “shall be established for construction by the Planning Board in consultation with the applicant”. If no time limit is set no extensions would be required and an approval could go unbuilt for a very long time, then suddenly be built out to everyone’s surprise and possible dismay. Extensions can be granted by the Planning Board if justified.

Comprehensive Plan

The Comprehensive Plan and Local Laws should agree and we recommend the proposed changes to make that happen.

Should you have any questions or require additional information, please feel free to contact me.

LOCAL LAW NO. ____ OF 2017

**CITY COUNCIL
CITY OF BEACON**

**LOCAL LAW AMENDING CHAPTER 223
OF THE CODE OF THE CITY OF BEACON**

A LOCAL LAW to amend Chapter 223 of the Code of the City of Beacon regarding the Central Main District.

BE IT ENACTED by the City Council of the City of Beacon as follows:

Section 1. Chapter 223 of the City Code, Article IVD entitled “Central Main Street (CMS) District,” is hereby amended as follows:

Chapter 223. Zoning - Article IVD. Central Main Street (CMS) District

§ 223-41.16 Purpose.

The purpose of this Article IVD is to increase the vitality, attractiveness, and marketability of Main Street and the Central Business District by providing more flexibility of land use while maintaining and enhancing urban form as recommended in the City of Beacon Comprehensive Plan Update adopted on ~~December 17, 2007~~ April 3, 2017. This article promotes a vibrant, economically successful, and environmentally sustainable Main Street with a pedestrian-oriented public realm and mixed uses. This article is also intended to provide a simplified and streamlined review process that facilitates redevelopment in accordance with its provisions and the intent of the Comprehensive Plan. ~~See Figure 18-15: Main Street Infill Strategies Illustrative Sketch Plan, [1] adapted from the Appendix to the Comprehensive Plan.~~

~~[1] Editor's Note: See § 223-41.18L.~~

§ 223-41.17 Applicability and boundaries.

The provisions of this article apply to the area shown as the Central Main Street District (CMS) on the City of Beacon Zoning Map, a portion of which is annexed hereto to amend said Zoning Map. [1] All new uses of land and structures and changed uses of land and structures shall comply with this article. Existing nonconforming uses may continue as provided in § 223-10, Nonconforming uses and structures, except as may be otherwise provided in this article. Any existing conforming building that is destroyed by fire or casualty to an extent of more than 50% may be rebuilt on the same footprint and with the same dimensions and may be extended at the same height along its frontage. Any existing building that does not satisfy the minimum building height requirements in the district may continue and may be expanded at the same height, provided that it is in conformity with all other dimensional requirements in the district. In case of any conflict between this article and other provisions of this Zoning Chapter, this article shall control. In order to encourage mixed uses, more than one permitted use shall be allowed on any lot or parcel, subject to all approval criteria contained herein.

Figure 17-1: Central Main Street Zone Map

[1] Editor's Note: The Zoning Map is on file in the City offices.

§ 223-41.18 Regulations.

A. Uses by right. The uses listed below are permitted by right in the CMS district, in the manner and under the conditions specified below. Unless otherwise indicated in this § 223-41.18, all such uses require site plan review, to be conducted in an expedited fashion pursuant to Subsection H below. Site plan review shall not be required for a change of use in an existing building where the new use is allowed by right, the building will not be expanded, and the minimum number of off-street parking spaces required for the new use in § 223-41.18 G(2) is not more than 25% greater than the requirement for the existing use in § 223-26F herein.

- (1) Apartments, provided that for parcels fronting on Main Street or East Main Street they may ~~they may~~ shall only be located on upper stories or at least ~~35~~ 50 feet behind the facade in the rear portion of a ground floor, ~~along Main Street.~~ The limitations on nonconforming residential uses on Main Street in § 223-10H shall not apply in the CMS District.
- (2) One-family, two-family, attached, and multifamily dwellings, provided that ~~they do not have ground floor frontage on Main Street~~ for parcels fronting on Main Street or East Main Street such uses are not permitted on the ground floor in the first 50 feet from the facade.
- (3) Hotel, subject to § 223-20, inn, or bed-and-breakfast establishment, subject to § 223-24.4.
- (4) Offices of any kind, including professional, medical, ~~or~~ business, and banks or other financial institutions.
- (5) Artist studio.
- (6) Art gallery.
- (7) Restaurant, coffee house, brew pub, and other establishments that serve food with or without alcoholic beverages.

- (8) Food preparation business.
- (9) Retail and personal services.
- (10) Funeral home.
- (11) Off-street parking lot facilities, provided that ~~it is~~ they are set back at least 40 feet from the Main Street or East Main Street property line and screened from the main street by buildings and/or landscaping.
- (12) Public garage, as defined in this Chapter, without motor vehicle repair, vehicle sales, or fuel sales, provided that it is set back at least 40 feet and screened from the main street by buildings and/or landscaping. ~~[See "Parking" in F(1).]~~
- (13) School, public or not-for-profit educational institution, trade or vocational school, job placement or training program, continuing education program or instructional school such as karate school, dance school or studio, language school or vehicular driving school.
- (14) Indoor commercial recreation.
- (15) Park, plaza, green, community garden, and other forms of outdoor plant cultivation.
- (16) Artist live/work space subject to § 223-24.3, provided that they may only be located on upper stories or at least ~~35~~ 50 feet behind the facade, in the rear portion of a ground floor, along Main Street or East Main Street, unless the space in the ~~35~~ 50 feet behind the façade is used for the retail sale of the artist's wares.
- (17) Theater, museum, library, concert hall and other music venues, and other similar kinds of cultural facilities.
- (18) ~~Schools and other public or nonprofit educational institutions~~ Auction gallery.
- (19) Wireless telecommunications services facilities, provided that they are mounted on a building and do not increase its height by more than 15 feet above applicable height limits and consistent with § 223-24.5.
- (20) Buildings, structures and uses owned or operated by the City of Beacon or any department or agency thereof.
- (21) Spa, health club, gym, yoga and pilates studio, and similar kinds of fitness centers.
- (22) Microbrewery or microdistillery which has a retail or tasting room component of at least 200 square feet of floor area.
- (23) Retail sales from a truck or trailer, subject to § 223-26.3.
- (24) Workshop for the making or repair of clocks, watches, jewelry, musical instruments or similar ~~items~~ artisan workshops, ~~having a total floor area of not more than 800 square feet and~~ having a retail component of at least 200 square feet.
- (25) Tattoo parlor, subject to 223-26.2.
- (26) Club, civic or fraternal, subject to § 223-24.2, provided that for parcels fronting on Main Street or East Main Street such uses are not permitted on the ground floor in the first 50 feet from the facade.

B. Uses by special permit.

- (1) The following uses are allowed by special permit from the ~~Planning Board~~ City Council, upon a finding that the proposed use is consistent with the City of Beacon Comprehensive Plan Update, will enhance the architectural character of the street and will benefit the urban, pedestrian-friendly qualities of Main Street, and that the conditions and standards in § 223-18 B(1)(a) through (d) have been met:
 - (a) Any new project with over 10,000 square feet in building footprint area.

- (b) ~~A five-story building or corner tower of one additional story on a four-story building, provided that it complies with Subsection E(7) below, and that the Planning Board City Council finds that there are no substantial detrimental effects on parking, traffic, shadows, or specific views designated as important by the City Council in an adopted local law, the Comprehensive Plan Update, or Local Waterfront Revitalization Program. A five-story building with a setback of at least 15 feet behind the facade above the fourth story may be permitted on the north side of Main Street where it can call attention to a significant intersection. Corner locations are deemed most appropriate for such buildings, but they may be permitted elsewhere on the north side if they are that the proposed corner tower is compatible with the scale of the block on which they are located, and that it will contribute architecturally to the block face. A five-story building will only be permitted if at least 15% of its residential units, and not less than five residential units, are designated as below market rate housing pursuant to Article IVB and/or at least 15% of the property's street level lot area adjacent to Main Street is available for public uses such as an outdoor dining area for a restaurant, pocket park or plaza.~~
- (c) A public garage, as defined in this chapter, containing facilities used for repair of motor vehicles, but not for the sale of motor fuel. Such repair facilities shall ~~be located in the interior of a block and not front on or~~ be visible from ~~any public street Main Street or East Main Street except for a sign not larger than 24 square feet in area.~~
- (d) A bar in which the primary product is alcoholic beverages and food service is incidental. Any establishment that serves alcoholic beverages and is open later than 1:00 a.m. on any night shall be presumed to be a bar for purposes of this section.
- (e) ~~Artist live/work space in accordance with § 223-24.3~~ Cigar and other lawful smoking establishments.
- (2) In considering the appropriateness of the proposed use, the ~~Planning Board City Council~~ shall consider impacts on shadows, traffic, and parking and may impose traffic and parking mitigation measures. When making a decision on a special permit, the ~~Planning Board City Council~~ shall follow the procedures in § 223-41.18 ~~l~~(2) of this chapter.

C. Accessory uses. The following are permitted accessory uses in the CMS District:

- (1) Any accessory building or use customarily incident to a permitted use, except outside storage.
- (2) Signs, in accordance with the provisions of § 223-15, as applicable.
- (3) Off-street parking areas, in accordance with § 223-41.18g.
- (4) Exterior lighting, in accordance with the provisions of § 223-41.18 l(13).
- (5) Home occupation, subject to 223-17.1.
- (6) Roof garden.
- (7) Greenhouse

D. Prohibited uses. Uses not listed in Subsection A or B above and the following specific uses are prohibited in the CMS District:

- (1) Gasoline filling stations.
- (2) Drive-through facilities, stand-alone or used in connection with any other use.

E. Dimensional regulations. All new construction or enlargement of existing structures in the CMS District shall be subject to the following minimum and maximum dimensional regulations. These may be modified as provided in Subsection L(15).

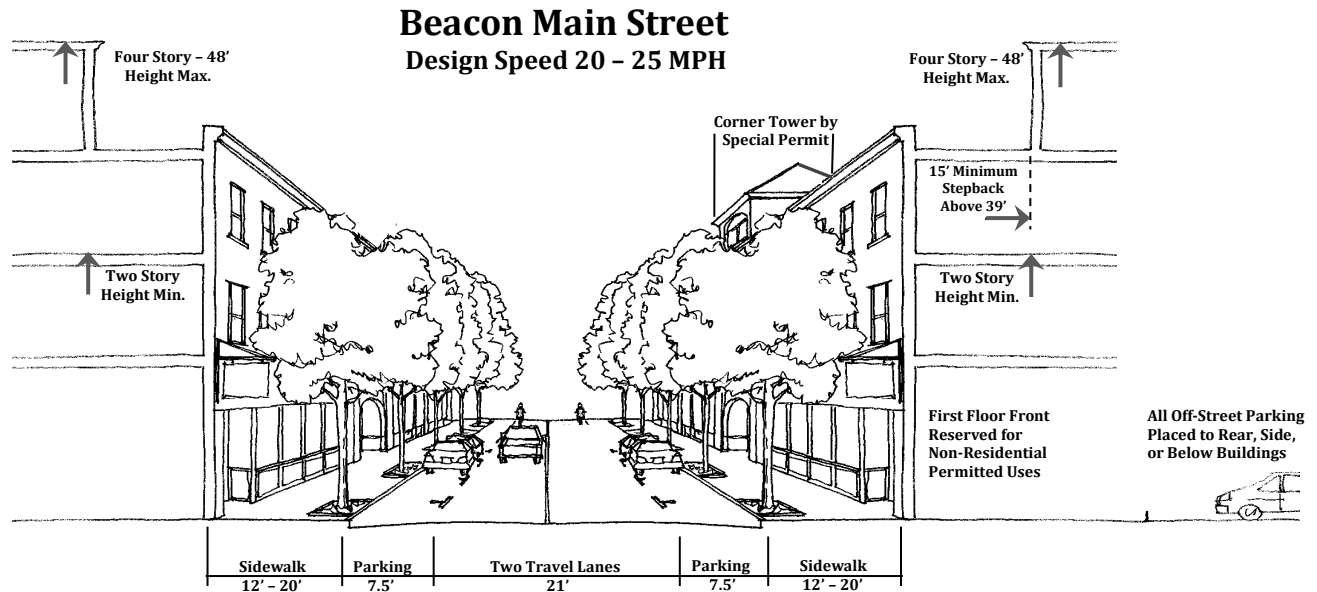

Figure 18-1: Central Main Street Zoning Requirements Illustrative View

- (1) Front setback on Main Street or East Main Street: minimum zero, maximum 10 feet, except that a larger maximum may be allowed if the area in front of a building has no parking spaces and is landscaped and used in a manner that enhances the street life ~~on Main Street~~ by such means as pocket parks or plazas, fountains, outdoor dining, public art, and outdoor display of items for sale on the premises. Such outdoor space shall be landscaped with plant materials as appropriate to the use, in a configuration approved by the Planning Board.
- (2) Front setback on other streets: minimum zero, maximum 25 feet. If surrounding buildings have a larger setback, the setback line may be placed in a location that harmonizes with the prevailing setbacks, provided that there is no parking in the front yard other than on a driveway accessing a rear garage.
- (3) Corner buildings: Corner buildings shall be treated as having frontage on both streets and front yard setbacks shall apply to both, as appropriate to the street. Corner buildings with frontage on Main Street or East Main Street shall wrap around corners and maintain a consistent yard setback line along the side.
- (4) Side setbacks: minimum of zero on Main Street or East Main Street, minimum of 10 feet on side streets. The minimum side setback on Main Street or East Main Street may be increased by the Planning Board to allow light and air to continue to penetrate an existing building that has side windows or other openings.
- (5) Rear setbacks on Main Street or East Main Street: minimum 25 feet for parcels 100 feet deep or more and minimum 10 feet for parcels under 100 feet deep. Rear setbacks on side streets: minimum 25 feet. ~~except that~~ If the rear yard is voluntarily dedicated to the City of Beacon as all or part of a public parking lot or parking structure, the minimum setback shall be 10 feet with landscaping to screen adjacent uses.
- (6) Minimum frontage occupancy on Main Street or East Main Street: 100% for buildings with a shared side wall and 80% for detached buildings. Frontage occupancy is the percentage of the lot width which must be occupied by either a front building facade or structures that screen parking, located within the area between the minimum and maximum front setback. The purpose of this requirement is to maintain a sense of enclosure of the street. This requirement may be reduced by the Planning Board a) to the extent necessary to allow light and air into an adjacent building that has side windows; or b) if the applicant provides a suitably surfaced and lighted pedestrian passageway between ~~Main the~~ street and parking areas, public open spaces, or other streets, located behind the building.

Figure 18-2: Frontage Occupancy

- (7) Building height for a building fronting on Main Street or East Main Street: minimum two stories, maximum four stories and 48 feet, as determined from the average street front level. Stories built below the grade of the street shall not be counted toward building height. The second story of a two-story building shall be built in a manner that allows actual occupancy for one or more permitted uses and does not create the mere appearance of a second story. A special permit may be granted pursuant to Subsection B above ~~for a five-story building on the north side of Main Street. A special permit may also be granted for a four-story tower without a setback at a corner on the south side of Main Street. Corner towers shall face~~ facing an intersection and occupying no more than 25 % feet of the ~~roof area~~ frontage of the building. For any building over three stories or 39 feet fronting on the south side of Main Street or East Main Street ~~four stories on the north side~~, a setback of at least 15 feet behind the facade shall be required for the top story, except for corner towers allowed by special permit. A 15-foot building setback above 39 feet shall be required for any side of such a building within 40 feet of a lot line abutting a residential district.

For buildings in the both the CMS and Historic District and Landmark Overlay Zone, any fourth story shall require a special permit by the City Council, upon a finding that there are no substantial detrimental effects on shadows, parking, traffic, or specific views designated as important by the City Council in an adopted local law, the Comprehensive Plan Update, or Local Waterfront Revitalization Program, that the new building will be compatible with the historic character of adjacent buildings, and that the conditions and standards in § 223-18 B(1)(a) through (d) have been met.

Chimneys, vent pipes, mechanical systems, elevator shafts, antennas, wireless communications facilities, roof gardens and fences, greenhouses, solar collectors, wind energy systems, and other rooftop accessory structures may project up to 15 feet above the maximum height. With the exception of roof gardens and solar collectors, such projections may occupy no more than 20% of the roof area and must be set back at least 15 feet from the front edge of the roof.

- (8) Building height for a building not fronting on Main Street or East Main Street: maximum three stories and 35 feet. Chimneys, vent pipes, roof gardens and fences, greenhouses, solar collectors, wind energy systems, and other rooftop accessory structures may project up to eight feet above the maximum height, provided that, with the exception of roof gardens and solar collectors, they occupy no more than 15% of the roof area and are set back at least 15 feet from the front edge of the roof.
- (9) Building depth: corner buildings shall not extend along a side street more than 150 feet from the Main Street or East Main Street frontage, unless the rear building height is reduced to two stories.
- (10) Lot area and lot width: There are no minimum lot area or lot width requirements.
- (11) Lot depth: Minimum lot depth is 75 feet, except that on any lot in which the area behind a building is voluntarily dedicated to the City as public parking, there shall be no minimum depth requirement.

(12) Floor area ratio: There is no maximum floor area ratio.

(13) Landscaped area: For lots fronting on Main Street or East Main Street, a minimum of 10% of the lot shall be landscaped with trees, shrubs, or grass, in locations approved by the Planning Board that enhance the streetscape or provide a landscaped ~~interior~~ courtyard, and are found to be consistent with the intent of the CMS District. This requirement shall be reduced to 5% if the landscaped area is accessible to the public. For lots not fronting on Main Street or East Main Street, a minimum of 15% of the lot shall be landscaped with trees and shrubs. These requirements may be waived for lots of 5,000 square feet or less.

(14) Lots that front on Main Street or East Main Street.

Figure 18-4: Lots That Do Not Front on Main Street or East Main Street

F. Frontage types.

- (1) For new buildings, along Main Street or East Main Street, only the following building frontage types are permitted:
 - (a) Storefront.
 - (b) Forecourt.
- (2) On other streets, there is no prescribed building or frontage type, except that no private garage may be located less than 20 feet behind the front facade of a building.
- (3) Storefront frontage type: a frontage type where the building facade is placed at or close to the right-of-way line, with the entrance at sidewalk grade. This building frontage type is conventional for retail use. It is characterized by a high percentage of glazing on the first floor, a prominent entrance, and often an awning. Recessed doors on storefronts are acceptable typically used to avoid doors opening into the sidewalk.

Figure 18-5: Illustrative View, Section View, and Plan View of Storefront Frontage Type

- (4) Forecourt frontage type. A forecourt is a semi-public exterior space whose back and sides are surrounded by a building and whose front opens to a thoroughfare — forming a court. The court is suitable for gardens, gathering space, and outdoor dining.

Figure 18-6: Illustrative View, Section View, and Plan View of Forecourt Frontage Type

G. Parking location and quantity.

- (1) All off-street parking for buildings that have Main Street or East Main Street frontage shall be located behind, ~~underneath~~ under the ground floor, or to the side of a building. If on the side, the parking area shall be located at least 40 feet from the Main Street or East Main Street property line and be screened by a low brick or stone wall, hedge, ornamental fence, and/or other landscaping that maintains the continuity of the street wall in compliance with frontage occupancy requirements, and that screens parked cars from view from the street. A public garage on a lot with Main Street or East Main Street frontage shall have a storefront "liner building" at least 40 feet deep and one story high between the parking structure and the main street, but may have a zero-foot setback on the upper floors of the parking structure (over the storefront) and along any street that intersects the main street. Parking areas fronting on side streets shall have a minimum setback of five feet in which ornamental and/or buffer landscaping is planted.

- (2) The minimum quantity of required on-site parking spaces shall be as follows:
- (a) Residential: one space per unit.
 - (b) Office and nonretail commercial: 2.5 spaces per 1,000 square feet of floor area.
 - (c) Retail commercial and personal services: three spaces per 1,000 square feet of floor area.
 - (d) Other uses: as determined to be appropriate by the Planning Board in the course of site plan review.
- (3) The requirements in Subsection G(2) above may be modified by the Planning Board, in its discretion, based upon information submitted by the applicant or otherwise made available in the public record, demonstrating one or more of the following:
- (a) That the projected operational characteristics of the proposed use require a different amount of parking.
 - (b) That adequate shared parking, contractually obligated for the duration of the proposed use, is available within 500 feet of the site and within the CMS or PB Districts.
 - (c) That the applicant has provided sufficient bicycle parking to reduce anticipated vehicular travel demand.
 - (d) That there is sufficient public parking available within 800 feet of the site and within the CMS or PB Districts to meet foreseeable parking needs of the proposed use and surrounding uses for the duration of the proposed use.
 - (e) That the applicant will voluntarily dedicate land for public parking on site or will acquire land by purchase or long-term lease (for the duration of the proposed use) within 800 feet of the site and within the CMS or PB Districts and voluntarily dedicate such land to the City for public parking.
 - (f) That a professional parking study of the proposed use and the surrounding area demonstrates that a different amount of parking would be appropriate for the use in its particular location and/or that existing and/or proposed off-site parking is sufficient.
- (4) For lots of 8,000 square feet or less, where the provision of on-site parking is infeasible, the Planning Board may waive all parking requirements, provided that the total floor area of the building is no greater than 5,000 square feet.
- (5) Section 223-26B of this Chapter shall apply in the CMS District.

H. Streetscape improvements.

- (1) Within the building transition zone, the Planning Board may require the lot owner to provide planters, trees, shrubs, or other landscaping to enhance the appearance of the streetscape. Ornamental fencing four feet or less in height may be provided to separate privately owned space from public space. Chain link, vinyl, and solid fencing shall be prohibited. For commercial uses, display areas, and outdoor dining and seating areas may be provided.
- (2) A pedestrian clearway, at least eight feet wide, with unobstructed space for pedestrian activity shall be provided along the sidewalk, unless site conditions require a narrower clearway. Within the street transition zone, if space permits, lot owners may plant trees and place benches, tables, and outdoor seating areas with the approval of the Department of Public Works. The Planning Board may require the planting of street trees on average 30 feet to 40 feet apart as a condition of site plan approval.
- (3) The Planning Board may require the placement of bicycle racks of an approved design within the street transition and building transition zones. ~~Each bicycle rack holding two bicycles may be used to reduce the required parking by one parking space.~~ The Planning Board may require any building containing 5,000 square feet or more of floor area to provide one bicycle rack or equivalent indoor bicycle parking space for every 2,000 square feet of floor area.

- (4) The Planning Board may require that an applicant constructing a building greater than 10,000 square feet in floor area pay for the provision of related street improvements to improve pedestrian and/or bicycle safety.

A = Street Transition Zone
B = Pedestrian Clearway
C = Building Transition Zone
D = Building Frontage

Figure 18-7: Parts of the Streetscape

I. Site plan review/special permit procedures and criteria.

- (1) In order to ensure an expedited review of site plans, this article contains a streamlined site plan review procedure for any proposed building project of 10,000 square feet or less in footprint area, as follows:
 - (a) The applicant shall meet with the Building Inspector, who shall provide a site plan application and instruction sheet describing the requirements for site plan approval and who may recommend that the applicant have a preapplication meeting with the Planning Board to determine application submission requirements.
 - (b) The applicant shall prepare a site plan with sufficient information for the Planning Board to determine whether or not it complies with the provisions of this article.
 - (c) If no special permit is required, the applicant shall then meet with the Planning Board to discuss the proposal. No public hearing will be required, unless the Planning Board determines that the proposal may have substantial detrimental effects or may cause public controversy.
 - (d) Within 45 days after such meeting, or if there is a public hearing, within 45 days after the closing of the public hearing, the Planning Board shall issue an approval, approval with modifications, or denial of the application, stating the reasons for any modifications or denial. The Planning Board shall also issue a required schedule for initiation and completion of the project. Such approval shall lapse within two years if the applicant does not diligently pursue construction of the project, unless the applicant requests an extension, which may only be granted for good cause by the Planning Board.
- (2) For projects with over 10,000 square feet in building footprint area, or that otherwise require a special permit, the applicant shall follow the procedures in §§ 223-18 and 223-25, ~~except that the Planning Board shall take the place of the City Council in § 223-18.~~ Such applications shall comply with those sections to the extent that such sections do not contain standards that conflict with this article. In case of a conflict, this article shall control.
- (3) The Planning Board may require a performance guarantee for the construction of public improvements in connection with any project of 10,000 square feet or more in floor area.
- (4) After completion of construction of new buildings, the applicant shall submit as-built plans to the Building Inspector showing the exact location of all site alterations and construction.

J. Site plan and special permit amendments. For any proposed change to an approved site plan, the applicant shall meet with the Building Inspector who shall make a determination as to whether or not the proposed change is significant. If the Building Inspector determines that the change is significant (e.g., a change in dimensions of more than 10% shall be presumed to be significant), the application shall be referred to the Planning Board for an amendment to the site plan or special permit, as appropriate. If the Building Inspector determines that the change is not significant and otherwise complies with applicable requirements, the Building Inspector is authorized to issue a building permit without further review.

K. Compliance with below market rate housing requirements. All applications involving residential development shall comply with Article IVB of this Chapter (Affordable-Workforce Housing).

L. Design standards.

(1) Because of the design standards in this section, the architectural review provisions of Chapter 86 shall not apply within the CMS District. In addition to the preceding sections of this article, all new buildings or substantial alterations of existing buildings shall comply with the following design requirements. These design standards are intended to promote the following purposes:

(a) Preserve and enhance the unique character and general public welfare of the City of Beacon;

(b) Promote pedestrian access and activity, as well as a general sense of area security;

(c) Restore and maintain the role of streets as civic and social spaces, framed by active uses;

(d) Encourage economic development and a convenient mix of uses and services; and

(e) Support a sense of design context that appropriately relates historic buildings, general facade and window patterns, and traditional streetscapes in the area to new redevelopment efforts, while still allowing contemporary architectural flexibility.

(2) Key Terms: Standards using the verb "shall" are required; "should" is used when the standard is to be applied unless the Planning Board finds a strong justification for an alternative solution in an unusual and specific circumstance; and "may" means that the "standard" is an optional guideline that is encouraged but not required.

(3) Proposed new buildings should be compatible with nearby historic-quality buildings along Main Street. References to the existing context should include type and texture of materials, massing, spacing and proportion of windows and doors, horizontal alignments, and street-front fixtures, but architectural features ~~and details~~ may be more traditional or may be ~~simpler and more modern, less detailed~~, signaling a ~~more~~ contemporary building. Building exteriors in or directly adjoining the Historic District and Landmark Overlay sections of the CMS District should reinforce historic patterns and neighboring buildings with an emphasis on continuity and compatibility, not contrast, but new construction may still be distinguishable in architectural details, windows, and interiors.

(4) Buildings should have a top-floor cornice feature and first-floor architectural articulation, such as a storefront with a secondary cornice or an architecturally emphasized entrance doorway, to accent the central body of the building.

(5) Architectural features and windows should be continued on all sides of the building that are clearly visible from a street or public parking area, avoiding any blank walls, except in cases of existing walls or potential common property walls. Larger buildings shall incorporate significant breaks in the facades and rooflines at intervals of no more than 35 feet.

(6) Building elements that provide additional architectural interest, such as balconies, bay windows, open porches, and cornices, may encroach up to four feet beyond the front lot line if the bottom of the encroaching building elements is at least 12 feet above grade.

- (7) Metal, glass or canvas-type awnings and canopies or projecting signs are encouraged and may encroach up to six feet into the front setback and over the sidewalk above seven feet. Vinyl awnings are discouraged unless the applicant can demonstrate to the Planning Board's satisfaction that the finish and design of such awning are of high quality, aesthetically pleasing and meet the intended standards of the district, ~~as determined by said Board.~~
- (8) Buildings shall have a front entrance door facing the primary street and connected to the sidewalk. Front entrance doors for commercial buildings and retail storefronts shall be active and provide main access during business hours.
- (9) Primary individual window proportions shall be greater in height than in width, but the Planning Board may allow exceptions for storefront, transom, and specialty windows. Mirrored, reflective, or tinted glass, all-glass walls, and exterior roll-down security gates shall not be permitted. Any shutters shall match the size of the window opening, and appear functional, and be attached to the window frame.
- (10) Commercial buildings shall have at least 70% glass on the first-floor facades, located between two feet and 10 feet above the sidewalk. ~~Residential buildings shall~~ Main Street or East Main Street buildings should have at least 30% glass on the ~~first-floor~~ upper floor facades.
- (11) Finish building materials should be wood, brick, traditional cement-based stucco, stone, smooth cast stone, ~~or smooth-~~ finished fiber-cement siding, or other material deemed acceptable by the Planning Board. Vinyl, aluminum or sheet metal siding or sheet trim, exposed concrete blocks or concrete walls, plywood or other similar prefabricated panels, unpainted or unstained lumber, synthetic rough-cut stone, ~~or synthetic~~ brick, ~~or synthetic~~ stucco, exterior insulation and finishing system (EIFS), ~~or direct-applied finish system (DAFS),~~ and chain link, plastic, or vinyl fencing shall not be permitted.
- (12) Materials and colors should complement historic buildings on the block. Fluorescent, neon, metallic, or other intentionally garish colors, as well as stripes, dots, or other incompatible patterns, shall be prohibited.
- (13) Lighting fixtures shall be a maximum of 15 feet in height, except pole lights in rear parking lots shall be a maximum of 20 feet high. Lighting shall be energy efficient, have full spectrum color quality, and, except for short-term event lighting, shall prevent any lighting above ~~60 watts~~ 500 lumens that directly projects above the horizontal level into the night sky with full cut-off fixtures.
- (14) Mechanical equipment and refuse containers shall be concealed from public view by approved architectural or landscaping elements and shall be located to the rear of the site. Window or projecting air conditioners shall not be permitted on the front façade of new buildings or additions.
- (15) The Planning Board may waive setback requirements for landmark civic buildings, including government buildings, schools, libraries, or places of worship, and for pedestrian-oriented places, such as public greens or plazas and outdoor eating areas.
- (16) The following Figure 18-8 provides annotated photographs to illustrate design standards in this section:

**Traditional
Main St.
Example**

- Façade and roof line breaks at intervals of no more than 35'
- Top floor cornice feature
- Bay windows, balconies and open porches may encroach up to 4' over the sidewalk
- Primary window proportions greater in height than in width
- Secondary storefront cornice or first floor articulation
- Commercial first floor facing Main Street

**More Modern
Example**

Design Standards Consistent Examples

- Wood, brick, stucco, stone, or fiber-cement siding and trim recommended
- Metal, glass, or canvas-type awnings and canopies or projecting signs may encroach up to 6 feet over the sidewalk above 7 feet
- Street trees planted on average 30' - 40' apart
- Commercial buildings shall have at least 70% glass on first floor facades between 2' and 10' above the sidewalk

Design Standards Inconsistent Examples

- Two-story minimum required, allowing second floor occupancy
- Architectural features and windows should be continued on all sides, avoiding any blank walls
- Vinyl, aluminum, or sheet metal siding or sheet trim shall not be permitted

- Buildings should have a top floor cornice feature
- Primary window proportions shall be greater in height than in width
- Commercial buildings shall have at least 70% glass on the first floor facade

Vinyl awnings are discouraged, but metal, glass, and canvas-type awnings are encouraged

Design Standards Consistent Examples

- Wood, brick, stucco, stone, or fiber-cement siding and trim recommended
- Bay windows, balconies and open porches may encroach up to 4' into the setback
- Required landscaping between the sidewalk and building to enhance the streetscape

- In the Linkage District, a step-back of at least 15' behind the façade above the third story
- Primary window proportions greater in height than in width
- Secondary cornice or first floor articulation
- Residential buildings shall have at least 30% glass on first floor facades

- Top floor cornice feature
- Façade and roof line breaks at intervals of no more than 35'
- Street trees planted on average 30' - 40' apart
- Metal, glass, or canvas-type awnings and canopies may encroach up to 6 feet over the sidewalk above 7 feet

M. Main Street infill strategies illustrative sketch plan. This sketch plan provides one possible set of design solutions for infill development, which was included in the 2017 Comprehensive Plan Update as an illustration of planning principles for the Central Main Street District.

Figure 18-9: Central Main Street Infill Strategies and Illustrative Sketch Plan

Section 2. Ratification, Readoption and Confirmation

Except as specifically modified by the amendments contained herein, the Chapter 223 of the City of Beacon is otherwise to remain in full force and effect and is otherwise ratified, readopted and confirmed.

Section 3. Numbering for Codification

It is the intention of the City of Beacon and it is hereby enacted that the provisions of this Local Law shall be included in the Code of the City of Beacon; that the sections and subsections of this Local Law may be re-numbered or re-lettered by the Codifier to accomplish such intention; that the Codifier shall make no substantive changes to this Local Law; that the word "Local Law" shall be changed to "Chapter," "Section" or other appropriate word as required for codification; and that any such rearranging of the numbering and editing shall not affect the validity of this Local Law or the provisions of the Code affected thereby.

Section 4. Severability

The provisions of this Local Law are separable and if any provision, clause, sentence, subsection, word or part thereof is held illegal, invalid or unconstitutional, or inapplicable to any person or circumstance, such illegality, invalidity or unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, subsections, words or parts of this Local Law or their petition to other persons or circumstances. It is hereby declared to be the legislative intent that this Local Law would have been adopted if such illegal, invalid or unconstitutional provision, clause, sentence, subsection, word or part had not been included therein, and if such person or circumstance to which the Local Law or part hereof is held inapplicable had been specifically exempt there from.

Section 5. This local law shall become effective immediately upon filing with the Office of the Secretary of State.

City of Beacon Council Agenda

LOCAL LAW NO. ____ OF 2017

**CITY COUNCIL
CITY OF BEACON**

**LOCAL LAW AMENDING CHAPTER 223
OF THE CODE OF THE CITY OF BEACON**

A LOCAL LAW to amend Chapter 223 of the Code of the City of Beacon regarding the Fishkill Creek Development District.

BE IT ENACTED by the City Council of the City of Beacon as follows:

Section 1. Chapter 223 of the City Code, Article IVC entitled “Fishkill Creek Development District,” is hereby amended as follows:

Article IVC: Fishkill Creek Development District ~~[Added 11-1-2010 by L.L. No. 14-2010]~~

§ 223-41.12 Purposes.

Purposes of the Fishkill Creek Development (FCD) District are to:

- A. Encourage the development and/or redevelopment of undeveloped or underutilized industrial properties along the Fishkill Creek in a manner that provides a mix of residential and nonresidential uses. Properties in this category are generally more remote from the Central Business District ~~than other under-utilized industrial sites, and are not as well suited to continued industrial development as properties on the north end of the Fishkill Creek corridor,~~ but offer larger sites for a flexible range of compatible nonresidential uses.
- B. Establish and preserve open space corridors along Fishkill Creek and the Hudson River, and seek open space linkages to the large areas of open space in the Hudson Highlands on the slopes of Mount Beacon.
- C. Continue to develop greenways along the Hudson River and Fishkill Creek for public recreation, and provide linkages to trails towards the Hudson Highlands and the slopes of Mount Beacon. Improve boat access to Fishkill Creek and the Hudson River. Determine the future use of the railroad tracks along Fishkill Creek for vehicles capable of utilizing the tracks or for a bicycle and pedestrian path, and implement the decision.

§ 223-41.13 Uses; plan review; design standards.

- A. This article establishes a comprehensive review for land uses in the Fishkill Creek Development District. Development within the Fishkill Creek Development District shall be governed by this article, except to the extent that this article specifically incorporates by reference other sections of this chapter. In the event that any other provision of this chapter is inconsistent with the provisions of this article, then the provisions of this article shall control.
- B. Principal uses permitted by special permit. A Fishkill Creek development may be a single use, or a mixed use which incorporates various permitted land use elements as part of a comprehensive development plan. These elements may include:

- (1) Apartment, attached and multifamily dwellings.
- (2) Artist live/work spaces, artist studios and workshops of artisans.
- (3) Bed-and-breakfast establishments and inns.
- (4) Spas, fitness centers/noncommercial swimming pools, exercise studios, day-care centers, and similar uses as determined by resolution of the City Council. Such uses shall be permitted ~~on the ground floor and second floor of the~~ in buildings ~~facing~~ that face streets.
- (5) Restaurants and other eating and drinking establishments. Such restaurants and other eating and drinking establishments shall be permitted ~~on the ground floor and second floor of the~~ in buildings ~~facing~~ that face streets. No individual restaurant use shall contain more than 5,000 square feet of gross floor area.
- (6) Professional and ~~small~~ business offices ~~on the ground floor and second floor of~~ in buildings ~~facing the~~ that face streets.
- (7) Galleries, exhibit spaces and museums.
- (8) Community facilities that complement residential and commercial uses, such as public or semipublic performance and cultural centers, live theaters, concert halls, meeting rooms suitable for social, civic, cultural or education activities, bandshells, kiosks and gazebos.
- (9) Assembly and other light industrial uses, as determined by the City Council, in fully enclosed buildings and not including any form of outdoor storage.
- (10) Other nonresidential uses similar to the above uses as determined by resolution of the City Council.

C. Permitted accessory uses. Permitted accessory uses may include:

- (1) Uses which are clearly incidental to, and customarily found in connection with, the permitted principal uses. Exterior display of goods on special event days/weeks may be permitted, subject to the issuance of a permit by the City. Exterior storage is not allowed. Outdoor seating for restaurants and pedestrian-oriented accessory uses, such as flower, food or drink stands, are permitted.
- (2) Parking and bicycle facilities, including parking structures.

D. Procedure for review of Fishkill Creek development proposals.

- (1) Each Fishkill Creek development project shall require:
 - (a) Concept plan approval by the City Council; and
 - ~~(b) Special permit approval by the City Council; and~~
 - (b) Site plan approval by the Planning Board.
- ~~(2) The City Council's review of a special permit application for a Fishkill Creek development project shall include review of a Fishkill Creek development concept plan, which contains a proposed designation of the appropriate land uses, or a range of land uses, for the overall development of the applicant's land holdings in the FCD District. The purpose of this review is to assure that the FCD District will be developed in accordance with an overall comprehensive plan, even though the total Fishkill Creek Development District may consist of more than one separate FCD project, which might be constructed at different times.~~

- (2) The Planning Board may commence its review of a site plan for one or more Fishkill Creek development projects as soon as an application for such Fishkill Creek development ~~special permit~~ concept plan has been submitted to the City Council, ~~and such reviews may proceed simultaneously.~~ However, no final approval of a site plan for any FCD project shall precede the issuance of a ~~special permit~~ concept plan approval for such FCD project by the City Council.

E. Application fees. Applications to the City Council and Planning Board as provided herein shall be accompanied by the appropriate fees which may be set from time to time by the City Council for such applications. If such fees are not sufficient to defray the costs of review, the applicant shall also be required to pay such additional fees as may be necessary for the reasonable expenses of technical assistance to the City in reviewing the technical aspects of the application.

F. Procedure for ~~special permit and~~ Fishkill Creek development concept plan review.

- (1) Application. The concept plan application for a Fishkill Creek development ~~special permit~~ for one or more FCD projects shall be submitted to the City Council. The application shall consist of narrative text, drawings and/or illustrations describing the proposed Fishkill Creek development project ~~and concept plan~~. All application materials, including plans, shall be submitted in electronic file format acceptable to the Building Department, in addition to at least five paper copies (or such other format or amount as determined by the Building Department), at least two weeks prior to the City Council meeting at which it will be considered. Drawings shall be submitted approximately to scale, but need not be to the precision of a finished engineering drawing or a final site plan. The application shall include the following: ~~[Amended 4-21-2014 by L.L. No. 1-2014]~~

- (a) A written description of the Fishkill Creek development project(s) ~~and concept plan~~, and a description of the manner in which such proposal meets the purposes of the Fishkill Creek Development District; how it is consistent with the City of Beacon Comprehensive Plan and, if applicable, Local Waterfront Revitalization Plan; and the manner in which the public interest would be served by the proposed Fishkill Creek development, including a description of the benefits to the City.
- (b) A land use plan showing the various proposed land uses and their spatial arrangement, including the proposed general location of buildings, parking areas, public, community and/or recreation facilities, utility and maintenance facilities and open space.
- (c) An indication of the approximate square footage of buildings, the approximate number of dwelling units of each housing type and size, and the approximate amount of floor area of each type of nonresidential use.
- (d) An indication of the appropriate number of parking and loading spaces in relation to their intended use.
- (e) A general indication of any phasing of construction.
- (f) The general configuration of the interior road system, connection/access to the adjoining road system, and an analysis of the need for and the feasibility of providing emergency access.
- (g) A ~~Fishkill Creek development concept~~ plan showing the relation of the proposed uses to existing and proposed uses adjacent to the site that are not part of the application. ~~If no such adjacent uses have been proposed, the applicant shall discuss potential uses for such other parcels.~~
- (h) The general configuration of the pedestrian circulation system, ~~and~~ the connection of such pedestrian passageways to adjoining properties, and a description of how the proposal is consistent with the Fishkill Creek Greenway and Heritage Trail Master Plan.
- (i) The proposed architectural treatment of views and viewing points from the site to Fishkill Creek; to the site from Fishkill Creek; and over the site from important viewsheds, including those identified in the LWRP.
- (j) Descriptions, sketches, and sections ~~and elevations~~ showing the ~~general architectural treatment and~~ design scheme contemplated for the entire development and specifically for any public spaces or major elements of the plan.

- (k) Such additional information as the City Council may deem necessary in order to properly evaluate the application.
- (2) City Council review of ~~special permit and~~ Fishkill Creek development concept plan application.
- ~~(a) Environmental compliance.~~
- (a) The approval of a Fishkill Creek development project is an action subject to the State Environmental Quality Review Act (SEQRA), and all proceedings to review such project shall comply with the applicable requirements of SEQRA.
- ~~[2] Upon receipt of an application for a special permit and Fishkill Creek development concept plan, the City Council shall commence a coordinated review under SEQRA and institute lead agency procedures after identifying all involved and interested agencies, as provided by law.~~
- ~~[3] To the extent possible in accordance with law, any draft environmental impact statement (DEIS) required in connection with the special permit and Fishkill Creek development concept plan approval shall be sufficiently specific so as to eliminate the need for additional and/or supplemental DEIS's during the site plan stage of the approval process.~~
- ~~[4] To the extent possible in accordance with law, the preparation of any required DEIS shall be integrated into the existing agency review processes and should occur at the same time as the other agency reviews, including the special permit and Fishkill Creek development concept plan review. When a SEQRA hearing is held, it should be conducted jointly with other public hearings on the proposed action, whenever practicable.~~
- (b) Enhanced public transportation, jitneys and other alternative means of travel between the FCD, Main Street and the Hudson Riverfront, as well as the developer providing his a fair share of the funding of such alternative means of travel, shall be considered as important methods of mitigating potential traffic and parking impacts resulting from the FCD.
- (c) City Council referrals.
- [1] The City Council shall refer the application for a special permit and Fishkill Creek development concept plan approval to the Planning Board for a ~~report and~~ recommendation. The Planning Board shall review all documents and materials relating to the application and ~~shall render a report to the City Council and~~ may make any advisory recommendations it deems appropriate. ~~Where the City Council is serving as the lead agency under SEQRA, where the Planning Board is an involved agency, and where a DEIS is required, then this referral may be coordinated with the comment period under SEQRA. The report of the Planning Board shall be due on the date set for receipt of written comments on the DEIS or a date 45 days from the referral by the City Council, whichever is greater.~~
- [2] Other referrals. The City Council shall comply with the applicable provisions of General Municipal Law §§ 239-l and 239-m. ~~Where the City Council is serving as lead agency under SEQRA, and where a DEIS is required, it shall circulate the DEIS and FEIS as provided by law.~~ In addition to any referrals required by law, the City Council may refer the application to any other City board, department, official, consultant or professional it deems appropriate.
- (d) City Council Public hearing. The City Council shall hold a public hearing, ~~with the same notice required by law for zoning amendments,~~ on the application for a ~~special permit and~~ Fishkill Creek development concept plan approval. ~~Where the City Council is serving as lead agency under SEQRA, and where a DEIS is required, the~~ Any required SEQRA hearing shall be conducted jointly with this public hearing, if practicable.
- (3) City Council decision on ~~special permit and~~ Fishkill Creek development concept plan.

- (a) The City Council shall render a decision on the application for Fishkill Creek development concept plan approval ~~and for a special permit~~ after it has held the required public hearing ~~herein~~, completed the SEQRA process and has made the requisite SEQRA determination of significance and/or findings, and, if applicable, has made the consistency determination ~~as required~~ under the City's Local Waterfront Consistency Law.[1]

[1] Editor's Note: See Ch. 220, Waterfront Consistency Review.

- (b) Concept plan approval. ~~Prior to granting any special permit for a Fishkill Creek development project, the City Council shall review a Fishkill Creek development concept plan, which contains a proposed designation of appropriate land uses, or a range of land uses, for the overall development of the FCD District. The City Council shall may approve the concept plan upon a finding that it:~~

~~[1] Will fulfill the purposes of the Fishkill Creek Development District; and~~

~~[2] Will be in harmony with the appropriate and orderly development of the City.~~

- (a) ~~Special permit approval. The City Council may authorize the issuance of a special permit for a Fishkill Creek development project, provided that it shall find that the following conditions and standards have been met:~~

~~[1] The proposed Fishkill Creek development project will fulfill is consistent with the purposes and requirements of the Fishkill Creek Development District and is otherwise in the public interest.~~

~~[2] The proposed Fishkill Creek development project complies with § 223-41.13 I(16), Fishkill Creek buffer, of this chapter.~~

~~[3] The proposed Fishkill Creek development project meets the Fishkill Creek development design standards set forth in § 223-41.13 I, to the extent applicable at the ~~special permit~~ concept plan stage.~~

~~[4] The proposed Fishkill Creek development project is consistent with the City's Comprehensive Plan, Local Waterfront Revitalization Program (if applicable), and Fishkill Creek Greenway and Heritage Trail Master Plan and will not hinder or discourage the appropriate development and use of adjacent lands.~~

~~[5] The Fishkill Creek development is in accordance with the approved FCD concept plan.~~

~~[5] The proposed Fishkill Creek development project is planned as a cohesive unit; with a comprehensive plan for ingress, egress, open space, landscaping, signage, circulation and utility service; and the land uses are complementary; and the architectural styles are compatible and attain high standards of design.~~

~~[6] The land uses in the proposed Fishkill Creek development project relate, visually and functionally, with surrounding land areas and land uses, and shall relate compatibly with other elements of the Fishkill Creek corridor.~~

~~[7] The Fishkill Creek development project shall be sensitive to the site's relationship to the Fishkill Creek and shall be designed accordingly.~~

~~[8] The FCD site is proposed to be developed in such a way as to maximize important views and view corridors throughout the development; and site layout and design has incorporated, protected and/or enhanced important views and view corridors, including those identified in the LWRP.~~

- (c) Conditions. In approving any Fishkill Creek development concept plan ~~and special permit~~, the City Council may attach such conditions, safeguards and mitigation measures as it deems necessary or appropriate to assure continual conformance to all applicable standards and requirements and to fulfill the intent and purposes of this chapter.

(4) ~~Time periods for development pursuant to special permit. At the time of approving a special permit, the City Council may set forth the time period in which construction is to begin and be completed. The City Council may, in its discretion, extend any time period it has previously set where it finds that changing market conditions or other circumstances have acted to prevent the timely commencement or completion of work, and that the developer has proceeded with reasonable diligence in an effort to assure completion of the work within the permitted time period. The extension of these time periods shall not require the holding of a new public hearing.~~

(4) ~~Revisions to FCD concept plan special permit.~~ After approval of a FCD special permit, any proposed revisions in the approved special permit shall be submitted to the City Council. The City Council, in its discretion, shall determine the appropriate procedures for consideration of the proposed revisions, and whether such revision is material enough to require further environmental analysis, further project review and/or a further hearing, as it may deem appropriate.

G. Site development plan review. After approval of the Fishkill Creek development ~~special permit~~ concept plan by the City Council, the Planning Board may grant site plan approval to a Fishkill Creek development project.

(1) Application for site plan approval. The application for site development plan approval shall contain all the material set forth in § 223-25 B of this chapter. In addition, the applicant shall submit the following:

(a) Information to establish that the proposed site plan complies with § 223-41.13 I(16), Fishkill Creek buffer, of this chapter.

(b) Information to establish that the proposed site plan meets the Fishkill Creek development standards set forth in Subsection I below.

(c) Information to establish that the proposed site plan is in substantial conformance with the approved Fishkill Creek development concept plan ~~and special permit.~~

(d) Elevations showing the architectural and design treatment of all buildings, public and open spaces and other site plan elements.

(e) Information to establish the relationship of the proposed project to later elements of the development of the FCD District, including any other adjacent and nearby lands that are not part of the applicant's Fishkill Creek development project(s).

(f) Such other information as the Planning Board may reasonably require in order to evaluate the site plan application.

(g) Application fees as required pursuant to Subsection E above.

(2) Planning Board review of site plan.

(a) The Planning Board shall conduct a detailed review of the adequacy, location, arrangement, design and appearance of each aspect of the proposed development. ~~While the scope of the Planning Board's review of the site plan will generally relate to the FCD project at issue,~~ The Planning Board shall have the authority to assure that aspects of the overall development of the FCD District (e.g., stormwater management, domestic water and fire protection, sanitary sewer, all utilities, streets, etc.) shall be adequate to suit the purposes and needs of the entire FCD District, as it is finally developed.

(b) In acting on any site development plan application, the Planning Board shall take into consideration ~~any approved special permits and~~ the Fishkill Creek development concept plans, the proposed design and layout of the entire FCD District, including the proposed location, height and landscaping of buildings, traffic circulation within and without the site, provision of off-street parking, exterior lighting, display of signs, landscaping, buffer areas and open spaces, and architecture and design, so that any development will have a harmonious relationship with the existing or permitted development of contiguous land and of adjacent neighborhoods, and so that pedestrian and vehicular traffic will be handled adequately and safely within the site and in relation to the adjoining street system. Particularly, the Planning Board shall assure that the proposed site plan meets the Fishkill Creek development design standards set forth in Subsection I below.

(c) The proposed site development plan shall be in general substantial conformance with the Fishkill Creek development concept plan. The site plan for a particular Fishkill Creek development project will provide detailed building envelopes, elevations and site design details. The Planning Board may exercise its discretion in allowing minor variations from the Fishkill Creek development concept plan so long as the site plan is, in the Planning Board's judgment, generally in keeping with the Fishkill Creek development concept plan approved by the City Council. In no case, however, shall the Planning Board have the authority to approve a total number of dwelling units and/or an amount of nonresidential floor area in the Fishkill Creek development project which exceeds the number(s) approved as part of the ~~special permit and~~ Fishkill Creek development concept plan.

(3) Time period for construction. ~~Notwithstanding § 223-41.13 F(4) of this chapter,~~ At the time of approving the site plan, the Planning Board may set forth the time period in which construction is to begin and be completed. The Planning Board may, in its discretion, extend any time period it has previously set where it finds that changing market conditions or other circumstances have acted to prevent the timely commencement or completion of work, and that the developer has proceeded with reasonable diligence in an effort to assure completion of the work within the permitted time period. The extension of these time periods shall not require the holding of a new public hearing. ~~Where the authority granted under this section and § 223-41.13 F(4) may be in conflict, the latter section shall control.~~

(4) Adjustments to site plan during construction. During the construction of an approved site plan, the Building Inspector or the City Engineer may authorize minor adjustments to the approved plans which are consistent with the overall approved site plan, when such adjustments appear necessary in the light of technical or engineering considerations which develop during actual construction, or when such adjustments are required in order to comply with law, rules or regulations made applicable to the subject property by any agency or instrumentality of the United States, New York State, Dutchess County or City government. The Building Inspector or City Engineer may, in his discretion, refer any such proposed change to the Planning Board for review. The Planning Board may determine to treat the modification as a minor site plan adjustment under this section or to treat it as a site plan amendment under Subsection G(5) below. If treated as a minor site plan adjustment, the Planning Board may authorize the Engineer or Building Inspector to approve the requested change.

(5) Site plan amendments. If the Planning Board determines that the character of the proposed changes requires a site plan amendment, the Planning Board shall process the application as an amended site plan under this Subsection G(5) and shall have the discretion to determine the extent of further environmental analysis and project review that is required. After appropriate review, the Planning Board shall approve any site plan amendment by resolution.

H. Subdivision within a Fishkill Creek development. The Planning Board may review any proposed subdivision application within a Fishkill Creek development at any time. Any requests for subdivision approval shall follow the procedures set forth in Chapter 195, Subdivision of Land, of the City Code. The ~~bulk standards,~~ setbacks and other dimensional requirements of the FCD District shall apply to the gross land area of the total Fishkill Creek development project, whether or not the gross land area is or will remain in one ownership, and shall not apply to individual or subdivided lots.

I. Fishkill Creek Development design standards. ~~Fishkill Creek development shall meet the following standards:~~

~~(1) Comprehensive design. The FCD District allows for flexibility of design to encourage innovative site planning. While the FCD District may contain various use elements (e.g., residential, retail, restaurant, etc.), the FCD District must be planned as a cohesive unit, with a comprehensive plan for ingress, egress, open space, landscaping, signage, circulation and utility service. Additionally, proposed land uses must be complementary. The architectural styles must be compatible and must attain high standards of design.~~

~~(2) Relationship to uses on surrounding public property. The land uses in a Fishkill Creek development project shall relate, visually and functionally, with surrounding land areas and land uses, and shall relate compatibly with other elements of the Fishkill Creek corridor.~~

~~(3) Relationship to Fishkill Creek. The FCD project shall be sensitive to the site's relationship to the Fishkill Creek and shall be designed accordingly.~~

(4) Provision of view corridors. The site shall be developed in such a way as to maximize important public views and view corridors throughout the development. Site layout and design shall consider important public views and view corridors including those identified in the LWRP. Important views shall be protected and/or enhanced to the maximum extent practicable.

(5) FCD design principles and standards.

(a) Architecture and building materials shall be evaluated in the context of high quality examples of Hudson Valley regional and Beacon architecture.

(b) Buildings shall be designed in consideration of appearance from all vantage points. Blank or long, uninterrupted walls, both horizontally and vertically, and tinted or mirrored windows shall be avoided. Commercial storefronts and restaurants shall have a minimum of 70% glass frontages.

(c) Architectural elements shall be used to provide visual interest, reduce apparent scale of the development, and promote integration of the various design elements in the project.

(d) Groups of related buildings shall be designed to present a varied, yet compatible appearance in terms of architectural style.

(e) Building facade setbacks shall be varied to the extent practicable in order to provide an interesting interplay of light, shadows, colors, window openings, terraces, balconies and cornice features.

(f) Appurtenances on buildings and auxiliary structures, such as mechanical equipment or water towers, carports, garages or storage buildings, shall receive architectural treatment consistent with that of principal buildings.

(g) ~~The ground floor of buildings for residential use, whenever practical, shall may be designed so as to be convertible in the future to nonresidential use, . This shall include, but shall not necessarily be limited to, the inclusion of including floor to ceiling dimensions appropriate to future nonresidential usage of the buildings.~~

(1) All new buildings or substantial alterations of existing buildings in the Fishkill Creek Development District, shall comply with the following design standards. These standards are intended to supplement the provisions in Chapter 86, Architectural Design, and to relate historic buildings and traditional streetscapes in the area to new redevelopment efforts, while still allowing contemporary architectural flexibility.

(2) Key terms. Standards using the verb "shall" are required; "should" is used when the standard is to be applied unless the City Council or Planning Board, as applicable, finds a strong justification for an alternative solution in and unusual and specific circumstance; and "may means that the standard is an optional guideline that is encouraged but not required.

(3) General district standards. While the FCD District may contain various uses, development shall be planned as a cohesive unit, with a comprehensive plan for access, connected greenspace, landscaping, signs, circulation, and compatible architectural elements. Plans should build on the existing Beacon environmental and historic context.

a) Proposals shall show previous buildings on the site and document inspiration from the City's industrial past along the riverfront and creek frontage, including the type and texture of materials, roof forms, spacing and proportions of windows and doors, and exterior architectural features. Building details may be traditional or may be more modern and simple.

b) Construction on parcels in or directly adjoining the Historic District and Landmark Overlay Zone should reinforce historical patterns and neighboring buildings with an emphasis on continuity and historic compatibility, not contrast. The goal is to renew and extend the traditional character of the district, but new construction may still be distinguishable in up-to-date technologies and details, most evident in windows and interiors (see also Chapter 134, Historic Preservation).

- c) The plan shall be sensitive to the site's relationship to the Fishkill Creek and developed in such a way as to maximize important public views and view corridors throughout the development.
- (4) Specific standards. See also the annotated photo examples in Figures 13-1-3, illustrating the design standards.
- a) Historic mill buildings in Beacon generally had simple forms and repetitive window openings with flat or low-pitched gable roofs. Groups of related buildings shall be designed to present a varied, but compatible mix. New construction should have rooftop cornices, capstones, parapets, railings, or projecting eaves.
 - b) Architectural features, materials, and windows shall be continued on all sides of the building, avoiding any blank walls. Larger buildings should incorporate subtle breaks in the façade and window surrounds with projecting sills, lintels, or crowns to add some depth, shadow, and detail.
 - c) Buildings shall have an emphasized entrance doorway to visually connect the building to the street frontage and an interconnected sidewalk and walking/bicycle path system to allow residents access to the street and Greenway Trail along the creek frontage.
 - d) Industrial artifacts, such as stacks, towers, skylights, window frames, loading doors, and docks, should be retained or reproduced and incorporated into the design, whenever possible. Railings, balconies, entrance canopies, lighting fixtures, and other functional details should use industrial styles, metal materials, and darker colors.
 - e) Windows shall be divided into smaller panes to break up large areas of glass. Individual panes shall be greater in height than width, but the Planning Board may allow exceptions for transom lights, storefronts, and other specialty windows. Tinted or mirrored glass and large glass wall areas shall not be permitted.
 - f) Commercial buildings shall have at least 70% glass on the first-floor facades. Residential floors shall have at least a 30% glass to wall ratio.
 - g) For finish building materials, traditional brick is recommended with secondary elements of cement-based stucco, stone, smooth-finished fiber-cement siding, metal, or other material deemed acceptable by the Planning Board. Vinyl, aluminum or sheet metal siding or sheet trim, exposed concrete blocks or concrete walls, plywood or other similar prefabricated panels, unpainted or unstained lumber, synthetic stone or brick, synthetic stucco, exterior insulation and finishing system (EIFS), or direct-applied finish system (DAFS), and chain link, plastic, or vinyl fencing shall not be permitted.
 - h) Greenhouses, solar collectors, mechanical systems, and other rooftop accessory structures may project up to 15 feet above the maximum height, if set back at least 15 feet from the edge of a flat roof.
 - i) Off-street parking, mechanical equipment, and refuse containers shall be located toward the rear or side of the site, under the ground floor of buildings, and/or screened from public views by approved landscaping or architectural elements. Window or projecting air conditioners shall not be permitted.
 - j) Every site should include at least one pedestrian-oriented gathering place, green, landscaped plaza, courtyard, terrace, or outdoor eating area, using the building forms to frame, overlook, or complement the space.
- (5) Energy efficiency. The plan for the Fishkill Creek development project shall be designed and arranged in such a way as to promote energy efficiency to the maximum extent practicable for all buildings, such as taking advantage of passive solar and solar panel opportunities.
- (6) Landscaping, screening and buffering. A comprehensive landscaping plan, including proposed streetscape and rooftop elements, shall be submitted for the project.

- (a) Sidewalks, open spaces, parking areas and service areas shall be landscaped and/or paved in a manner which will harmonize with proposed buildings. Materials for paving, walls, fences, curbs, benches, etc., shall be attractive, durable, easily maintained and compatible with the exterior materials of adjacent buildings.
 - (b) The Planning Board may require street trees, buffer landscaping, fencing or screening to separate land uses and to screen parking lots or structures, utility buildings, refuse collection areas, cooling systems and other similar installations and features.
 - (c) All plants, trees and shrubs shall be installed in accordance with a planting schedule provided by the developer and approved by the Planning Board. Landscape materials selected shall emphasize native species, not include invasive species, and shall be appropriate to the growing conditions of the environment and this climatic zone.
 - (d) Green roofs and rooftop terraces and gardens are encouraged for visual and environmental reasons.
- (7) Lighting. A comprehensive lighting plan ~~which includes pedestrian-scale lighting~~ with photometric measurements and fixture specifications shall be submitted for the project. Streets, drives, walks and other outdoor areas shall be properly lighted to promote safety and encourage pedestrian use. ~~All exterior lighting for the project shall be directed downward or otherwise appropriately shielded and designed to minimize excessive light. Such lighting shall have an attractive appearance compatible with the overall project design and FCD character. Lighting type, number and locations shall be subject to Planning Board review and approval as part of the site plan review process.~~ Lighting fixtures shall be a maximum of 15 feet in height, except pole lights in parking lots shall be a maximum of 20 feet high. Lighting shall be energy efficient, have full spectrum color quality, and, except for short-term event lighting, shall use full cut-off fixtures to prevent any lighting that directly projects above the horizontal level into the night sky.
- (8) Signage.
- (a) All signs shall be planned and designed in accordance with an overall comprehensive signage plan, which shall be subject to Planning Board review and approval as part of site plan review process.
 - (b) All signs shall be of a size and scale as determined appropriate by the Planning Board to accomplish their intended purpose.
- (9) Vehicle, bicycle and pedestrian circulation system and traffic access. The rights-of-way and pavement widths for all internal streets, drives, walks or other accessways for vehicles, bicycles and/or pedestrians shall be determined on the basis of sound current planning and engineering standards, which shall accommodate projected demand but minimize impervious surface to the maximum extent practicable and be narrow enough to slow traffic speeds. Commercial uses should be pedestrian oriented and assist in building walkable streets and a connection to downtown Beacon.

FCD Design Standards Illustrative Examples Figure 13-1

555 South Avenue and Tioronda Bridge

Industrial artifacts, such as stacks, towers, skylights, window frames, loading doors, and docks, should be retained or reproduced and incorporated into the design, whenever possible.

Historic mill buildings in Beacon generally had simple forms and repetitive window openings with flat or low-pitched gable roofs.

Former Factory Buildings at 248 Tioronda Avenue

A corner or centrally located tower projecting one story above the permitted building height may be approved to add architectural interest and to encourage access to rooftop gardens.

Buildings shall have an emphasized entrance doorway to visually connect the building to the street frontage and an interconnected sidewalk and walking/bicycle path system.

One East Main Street

New construction should have rooftop cornices, capstones, parapets, railings, or projecting eaves.

Commercial buildings shall have at least 70% glass on the first-floor facades. Residential floors shall have at least a 30% glass to wall ratio.

FCD Design Standards Illustrative Examples Figure 13-2

Front Street Building #4

Architectural features, materials, and windows shall be continued on all sides of the building, avoiding any blank walls.

Larger buildings should incorporate subtle breaks in the façade and window surrounds with projecting sills, lintels, or crowns to add some depth and detail.

12 East Main Street

Windows shall be divided into smaller panes to break up large areas of glass. Individual panes shall be greater in height than width.

For finish building materials, traditional brick is recommended with secondary elements of fiber-cement siding, metal, or other material deemed acceptable by the Planning Board.

Off-street parking, mechanical equipment, and refuse containers shall be located toward the rear or side of the site, under the ground floor of buildings, and/or screened from public views by approved landscaping or architectural elements.

11 Creek Drive

FCD Design Standards Illustrative Examples Figure 13-3

The Roundhouse at Beacon Falls

Every site should include at least one pedestrian-oriented gathering place, green, landscaped plaza, courtyard, terrace, or outdoor eating area, using the building forms to frame, overlook, or complement the space.

Beacon HIP Lofts, Mason Circle

Groups of related buildings shall be designed to present a varied, but compatible mix.

Railings, balconies, entrance canopies, lighting fixtures, and other functional details should use industrial styles, metal materials, and darker colors.

Beacon HIP Lofts, Mason Circle

Industrial artifacts, such as stacks, towers, window frames, loading doors, and docks, should be incorporated into the design.

Lighting fixtures shall use full cut-off fixtures to prevent any lighting that directly projects above the horizontal level into the night sky.

(10) Public access for greenway trails.

- (a) While a Fishkill Creek development will require certain private elements for the security and benefit of its residents and property owners, a Fishkill Creek development shall provide public pedestrian access in a manner which enhances existing public access opportunities, and coordinates such public access with existing or anticipated opportunities for public access on adjacent lands to facilitate future linkages in a continuous pedestrian path system.
- (b) In order to foster the purposes of this article, in order to implement the policies expressed in the City's Comprehensive Plan and the Fishkill Creek Greenway and Heritage Trail Master Plan, including the creation of greenway trails, and in order to increase public pedestrian access to and the potential for enjoyment of Fishkill Creek, each FCD project shall show a dry-land right-of-way or easement for the enjoyment of the public, which easement shall be not less than 20 feet in width traversing the entire length of the site unless configured otherwise by the Planning Board during the site development plan review process. To the maximum extent practicable, said right-of-way or easement shall be integrated so as to create linkages with existing and anticipated public pedestrian and bicycle trail systems on adjacent lands.
- (c) The trail within said right-of-way or easement shall be constructed by the project developer and shall be maintained by the property owner. Said trail may be located in the Fishkill Creek buffer.

(11) Off-street parking and loading.

(a) General parking requirements.

[1] Off-street parking and loading areas shall be designed with careful regard to their relation to the uses served. They shall be coordinated with the public street system serving the project in order to avoid conflicts with through traffic or obstruction to pedestrian walks.

[2] Parking and loading facilities not enclosed in structures shall be suitably landscaped and/or screened as determined appropriate by the Planning Board. Off-street parking shall be located toward the rear or side of the site, under the ground floor of buildings, and/or screened from public views by approved landscaping or architectural elements.

[3] The construction of any proposed parking structures to accommodate the FCD project shall be integrated into the development.

- (b) Parking requirements. The FCD District parking requirements shall be in accordance with § 223-26 F of this chapter, except that the requirements in ~~said section~~ § 223-26 F shall be both the minimum and maximum requirements for a FCD project.
- (c) With respect to any building, structure or use for which the required number of parking spaces is not specifically set forth in § 223-26 F of this chapter, the Planning Board, in the course of site plan review, shall determine the number of off-street parking spaces required, which number shall bear a reasonable relation to the minimum off-street parking requirements for specified uses as set forth in the above schedule.
- (d) Up to ~~30~~ 20% of the required parking may be designated for compact automobiles at the discretion of and in accordance with standards as determined by the Planning Board.
- (e) ~~Off-street loading.~~ Off-street loading shall be provided as the Planning Board may find appropriate.

(12) Utilities and services.

- (a) Underground lines. All on-site television, power and communication lines, as well as all on-site water, sewer and storm drainage lines, shall be installed underground in the manner prescribed by the regulations of the government agency or utility company having jurisdiction. Any utility equipment to be necessarily located above ground shall be adequately screened from view in an attractive manner.

- (b) Approval of appropriate jurisdictions. All buildings within Fishkill Creek development projects shall be served by water supply, sanitary sewage and stormwater drainage systems as approved by the appropriate government agency or agencies having jurisdiction thereof. Stormwater drainage shall minimize siltation and nonpoint source discharge of salted areas and any other pollutants. Best management practices shall be required.
- (c) Television hookups. Television hookups shall either be by cable television or a central antenna system designed to minimize adverse aesthetic impact and shall not be by multiple individual satellite dishes.
- (d) Refuse collection. The Fishkill Creek development project shall provide an adequate means of storing refuse between collections, and shall comply with all applicable City requirements, including recycling requirements. Such storage systems shall be designed to minimize adverse aesthetic impact.
- (e) Cooling systems. Cooling systems shall be designed so as to minimize adverse aesthetic impact.
- (f) Placement of utilities. Where possible, all utilities shall be placed within the right-of-way, ~~and all possible steps shall be taken to avoid the placement of utilities under the pavement, in order to assure ease of future maintenance.~~
- (g) Utility deficiencies. The FCD project shall address all known utility deficiencies which have a relationship to the project, the project's impact upon said utilities, and the project's implementation and/or financing of its fair share of the mitigation of said impact and deficiencies, including the dedication of utility easements to the City.
- (13) Floodplain. The Fishkill Creek development project shall comply with the applicable provisions of Chapter 123, Flood Damage Prevention, of the City Code. All habitable stories shall be elevated above the one-hundred-year floodplain elevation.
- (14) Historic preservation. Every reasonable effort shall be made to preserve and/or incorporate significant historic structures and artifacts as part of the FCD project.
- (15) Fishkill Creek vegetative buffer.
 - (a) A protective creekside buffer measured from the top of the creek bank shall be observed. "Top of the creek bank" shall mean the highest elevation of land which confines Fishkill Creek.
 - (b) The protective creekside buffer dimension in § 223-41.15 J of this chapter is a minimum and may be increased if necessary to mitigate the impact of the proposed development.
 - (c) With respect to development near the creekside buffer, the site plan shall address the following requirements:
 - [1] Site development shall be fitted to the topography and soil so as to create the least potential for vegetation loss and site disturbance.
 - [2] Vegetation removal shall be limited to that amount necessary for the development of the site. Protection of tree crowns and root zones shall be required for all trees planned for retention.
 - [3] Vegetation indigenous to the site or plant community shall be restored in areas affected by construction activities. Temporary vegetation, sufficient to stabilize the soil, may be required on all disturbed areas as needed to prevent soil erosion. New planting shall be given sufficient water, fertilizer and protection to ensure reestablishment.
 - (d) All approved measures to mitigate the loss or impact to riparian habitat shall become conditions of approval of the project.
 - (e) The creekside buffer shall be protected by a conservation easement and/or covenants and restrictions which provide for the preservation of existing and proposed vegetation within said buffer.

~~§ 223-41.14~~ Definitions.

The following definitions are unique to this Article IVC. If any conflict exists between the definitions contained in this article and the general definitions and provisions contained elsewhere in this chapter, or any amendments thereto, then for the purposes of any development pursuant to this article, the definitions contained herein shall govern.

BUILDING HEIGHT

The vertical distance of a building, measured from the average elevation of the finished grade adjacent to a street, to the highest point of the roof if the roof is flat (excluding elevator structures, solar panels and other accessory rooftop features), or to the midpoint between the eaves and the highest point of the roof if the roof is of any other type. Where there is more than one street adjacent to a building, the average elevation of the finished grade of the lower street shall be used as the base elevation for measuring building height. Only those stories above grade are counted towards maximum height in stories or feet; a maximum of one story below grade used as a basement, cellar parking, underground parking or parking under buildings will not count towards total height or number of stories.

NONRESIDENTIAL FLOOR AREA

Floor area of permitted principal uses other than dwelling units and artist live/work spaces.

§ 223-41.15~~4~~ Bulk regulations.

- A. Minimum size of FCD site: four acres. Notwithstanding the above, the owner of less than four acres of land may apply for approval of a FCD project, where such land is adjacent to a proposed, approved or constructed FCD project.
- B. Development Potential. Maximum number of dwelling units per acre of gross lot area, after deducting any lot area with slopes over 20%, covered by surface water, within a federal regulatory floodway, or within a state or federally regulated wetland: 11. Additionally, a minimum of 25 percent of the total development's floor area shall be permitted nonresidential uses other than dwelling units or artist live/work spaces. Notwithstanding the above, the maximum number of dwelling units shall be increased by one unit per gross acre to a maximum of 15 units per gross acre, based on the amount of nonresidential floor area, as defined in this article, which is must be built out before or concurrently with the residential development of the site. For each additional dwelling unit built, 1,000 square feet of nonresidential floor area must be built. Any approvals granted for an FCD project with such increased density shall require that the issuance of the building permits for the residential development are contingent upon the diligent construction of the nonresidential portion of the project. Such increased density Less nonresidential square footage may also be granted by the City Council for the voluntary and guaranteed inclusion in the project of desirable environmental, transportation, or other substantial public benefits which would not otherwise be required of the project, as determined at the sole discretion of the City Council as part of the concept plan approval.
- C. Maximum dwelling unit size: 2,000 square feet of gross floor area.
- D. ~~Maximum floor area ratio of commercial space: 1.0.~~
- D. Maximum building coverage, including parking structures: 35%.
- E. Minimum open space: 30%.
- F. Maximum building height: 2 1/2 stories and 35 feet, except that height may be increased to a maximum of 3 1/2 stories and 45 feet, provided that such buildings are set back at least five additional feet from Fishkill Creek for each one-foot increase in height 3 stories and 40 feet, as determined from the average grade level of the side of the building facing the primary street view. A corner or centrally located elevator or stair tower projecting one story above the permitted building height may be approved by the City Council to add architectural interest and to encourage access to rooftop gardens.
- G. Minimum building setback from edge of pavement of public and private streets: 12 feet.
- H. Minimum frontage of overall FCD site on public street right-of-way: 50 feet.
- I. Minimum setback from and buffer width along Fishkill Creek: an average of 50 feet, but not less than 25 feet at any point, except with respect to the existing building located at 555 South Avenue located in the Historic District and Landmark Overlay Zone, in which case the minimum setback and buffer requirement shall not apply.

Section 2. Ratification, Readoption and Confirmation

Except as specifically modified by the amendments contained herein, Chapter 223 of the City of Beacon is otherwise to remain in full force and effect and is otherwise ratified, readopted and confirmed.

Section 3. Numbering for Codification

It is the intention of the City of Beacon and it is hereby enacted that the provisions of this Local Law shall be included in the Code of the City of Beacon; that the sections and subsections of this Local Law may be re-numbered or re-lettered by the Codifier to accomplish such intention; that the Codifier shall make no substantive changes to this Local Law; that the word "Local Law" shall be changed to "Chapter," "Section" or other appropriate word as required for codification; and that any such rearranging of the numbering and editing shall not affect the validity of this Local Law or the provisions of the Code affected thereby.

Section 4. Severability

The provisions of this Local Law are separable and if any provision, clause, sentence, subsection, word or part thereof is held illegal, invalid or unconstitutional, or inapplicable to any person or circumstance, such illegality, invalidity or unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, subsections, words or parts of this Local Law or their petition to other persons or circumstances. It is hereby declared to be the legislative intent that this Local Law would have been adopted if such illegal, invalid or unconstitutional provision, clause, sentence, subsection, word or part had not been included therein, and if such person or circumstance to which the Local Law or part hereof is held inapplicable had been specifically exempt there from.

Section 5. This local law shall become effective immediately upon filing with the Office of the Secretary of State.

City of Beacon Council Agenda

**AMENDMENTS TO THE CITY OF BEACON COMPREHENSIVE PLAN UPDATE INVOLVING CHANGES
TO THE CENTRAL MAIN STREET (CMS), CENTRAL BUSINESS (CB), OFF-STREET PARKING (PB),
R1-5, ~~RD-4~~, LOCAL BUSINESS (LB), FISHKILL CREEK DEVELOPMENT (FCD), ~~GENERAL BUSINESS (GB),
LIGHT INDUSTRIAL (LI), AND WATERFRONT PARK (WP) DISTRICTS. 12/18/17 DRAFT~~**

The Proposed Action involves individual parcel adjustments to the recommendations in the Comprehensive Plan Update, Sections 11 and 12, as adopted April 3, 2017. The Beacon City Council is proposing to adopt amendments to the Zoning Map and text for the purpose of implementing the general recommendations in the Comprehensive Plan Update. During discussions regarding certain parcels, the City Council agreed on adjustments to the overall recommended changes in the Comprehensive Plan Update, most specifically represented in Figure 11-1, Future Land Use Map, Table 12-1, Proposed Zoning Changes, and Figure 12-1, Proposed Zoning Changes. The particular parcels and reasoning are described below.

A portion of the Metro-North Commuter Railroad right-of-way along Tioronda Avenue, tax parcel number 6054-37-096715, with the owner's address at 347 Madison Avenue, New York, NY 10017 is proposed to be changed from LI to FCD. The Comprehensive Plan Update recommended other sections of the Metro-North right-of-way just to the north be merged into the FCD district. This additional section of the track right-of-way will link two currently zoned FCD parcels to make a continuous FCD district. Because of the existing tracks and steep slopes on the parcel, the rezoning will not significantly affect any development potential.

A 1.3-acre parcel along the Fishkill Creek owned by the Scenic Hudson Land Trust, Inc. at 1 Civic Center Plaza, Poughkeepsie, NY 12601, tax parcel number 5954-16-910293, is proposed to be changed from FCD to WP. The parcel is contiguous with other properties zoned WP and is very near another Scenic Hudson parcel that is part of Madam Brett Park. The City Council agreed to extend the WP district to include this parcel because of its sensitive nature along the Fishkill Creek and proximity to the other Scenic Hudson-owned park parcels.

~~A 2.582-acre parcel along the Fishkill Creek owned by the City of Beacon at 1 Municipal Plaza, Beacon, NY 12508, tax parcel number 6054-37-037625, is proposed to be changed from LI to GB. The Comprehensive Plan Update Table 12-1 recommended this parcel be rezoned to FCD, but the City Council issued a Request for Proposals for this property and subsequently entered into an agreement with a potential buyer. The property is at the end of a dead-end street with the adjacent parcel along the same street to the north zoned GB. The City Council agreed that the GB district zoning would be less of a change from the LI district and more consistent with the GB district to the north.~~

An 8.7-acre parcel at 11-89 Mason Circle owned by Beacon Hip lofts, LLC. with a tax parcel number 6055-04-590165 is proposed to remain in the LI district. The Comprehensive Plan Update Table 12-1 and Figure 12-1 recommended this parcel be rezoned to FCD, but the owner subsequently proposed an amendment to the Special Permit approval that would include a new building and other site plan changes. Since an active application has been before the Planning Board for several months and the property will then be built-out substantially consistent with the LI district regulations, the City Council is proposing to have the parcel remain in the current LI district.

The Comprehensive Plan Update Table 12-1 and Figure 12-1 recommended that the existing CB districts at the upper and lower ends of Main Street be merged into the CMS district, which would provide all of Main Street with the more specific architectural and design standards in the CMS district. The City Council is proposing to extend the east end expansion to the Fountain Square area, which is currently zoned LB. The CMS designation includes detailed architectural graphics, streetscape illustrations, and site design

standards to better protect the historic character of this area. Four LB parcels not in the Historic District and Landmark Overlay Zone would be converted to the adjacent R1-5 district. These changes would affect the following parcels:

| | | | |
|----------------|--------------------------------------|--|-------------------|
| 6054-30-168772 | 8 East Main Street <u>(front)</u> | 10 Boulevard LLC. 24 Woodbine Avenue, Northport, NY 11768 | <u>LB to CMS</u> |
| 6054-38-182748 | 20 East Main Street | Kurt L. and Donald P. McMillan 168 Chelsea Road, Wappingers Falls, NY 12590 | <u>LB to CMS</u> |
| 6054-38-186736 | 5 Leonard Street | Brian D. Haight 5 Leonard Street, Beacon, NY 12508 | <u>LB to CMS</u> |
| 6054-38-183732 | 28 East Main Street | Rafiq Ahmed 28 East Main Street, Beacon, NY 12508 | <u>LB to CMS</u> |
| 6054-38-188729 | 36 East Main Street | Larry Way 39 Van Buren Street, Beacon, NY 12508 | <u>LB to CMS</u> |
| 6054-38-190723 | 44 East Main Street | Echo Properties I LLC. 1777 Route 6, Carmel, NY 10512 | <u>LB to R1-5</u> |
| 6054-38-181714 | 49 East Main Street | Sophia Stuart 3 Water Street, Beacon, NY 12508 | <u>LB to R1-5</u> |
| 6054-38-180717 | 47 East Main Street | 47 East Main Street LLC. 47 Main Street, Beacon, NY 12508 | <u>LB to CMS</u> |
| 6054-38-163747 | 15 East Main Street | Sharon Bronte 180 W. 58 th Street, New York, NY 10019 | <u>LB to CMS</u> |
| 6054-38-166745 | 17 East Main Street | Gwenno M. James 20 S. Chestnut Street, Beacon, NY 12508 | <u>LB to CMS</u> |
| 6054-38-167740 | 19 East Main Street | Charatambos M. Peratikos P.O. Box 16, Beacon, NY 12508 | <u>LB to CMS</u> |
| 6054-38-167735 | 25 East Main Street | Weber Projects II LLC. 25 East Main Street, Beacon, NY 12508 | <u>LB to CMS</u> |
| 6054-38-169731 | 27-31 East Main Street | Accord Realty & Development, Inc. P.O. Box 269, Somers, NY 10589 | <u>LB to CMS</u> |
| 6054-38-170728 | 33 East Main Street | VBK Properties LLC. 10 North Gate Road, Carmel, NY 10512 | <u>LB to CMS</u> |
| 6054-38-174726 | East Main Street | Pok Beacon LLC. 3 Water Street, Beacon, NY 12508 | <u>LB to CMS</u> |

| | | | |
|----------------|----------------|---|----------------------------|
| 6054-38-170722 | 3 Water Street | Pok Beacon LLC. 3 Water Street, Beacon, NY 12508 | LB to R1-5 |
| 6054-38-167716 | 5 Water Street | Pok Beacon LLC. 3 Water Street, Beacon, NY 12508 | LB to R1-5 |

The Comprehensive Plan Update recommended the extension of the CMS district north on Fishkill Avenue to Verplanck Avenue. After careful consideration of the primarily residential uses along this block and the historic character of several of the buildings, the City Council is not proposing to permit commercial zoning on this block. This would prevent commercial expansion into these parcels and protect the primarily residential buildings along this block. Instead, the Council agreed to two more modest changes that would have far fewer impacts on the neighborhood.

Two single-family houses with historic qualities currently in the RD-5 district will be merged with the adjacent R1-5 district:

| | | |
|----------------|---------------------|---|
| 6054-29-041858 | 183 Fishkill Avenue | Lucy M. Cullinan 183 Fishkill Avenue, Beacon, NY 12508 |
| 6054-29-047864 | 189 Fishkill Avenue | Emily De Cordova 189 Fishkill Avenue, Beacon, NY 12508 |

One parcel with a commercial use in the RD-5 district is proposed to be included in the adjacent [PB](#) district to encourage redevelopment into a more consistent use with ~~the rest of the block~~ [adjacent parcels](#):

| | | |
|----------------|---------------------|--|
| 6054-29-042814 | 158 Fishkill Avenue | The Rocky Harbor LLC. 20 Dallis Place, Beacon, NY 12508 |
|----------------|---------------------|--|

A row of parcels on the south side of South Street currently in the R1-5 district is proposed to be rezoned to PB. Several of these properties are the rear portions of parcels that front on Main Street. Two buildings facing South Street in this area have commercial uses. A PB district designation would give these parcels more flexibility for additional uses and act as a transitional area between Main Street and the R1-5 district. Uses in the R1-5 would still be permitted in the PB. The following parcels are proposed to be in the PB:

| | | |
|----------------|-------------------------|--|
| 6054-29-056780 | Main Street (rear) | McDermott properties 43 Jelliff Mill Road, New Canaan, CT 06840 |
| 6054-29-063780 | 48 South Street | John W. H. Dacey and Holy R. Sumner 48 South Street, Beacon, NY 12508 |
| 6054-29-062771 | 424-428 Main St. (rear) | Beacon Main Real Estate Group 8 Bellford Lane, Beacon, NY 12508 |
| 6054-29-068768 | 432 Main St. (rear) | Neil E. Vaughn 432 Main Street, Beacon, NY 12508 |
| 6054-29-075770 | 34 South Street | Neil E. Vaughn and Erika M. Foy 432 Main Street, Beacon, NY 12508 |

| | | |
|----------------|--------------------|--|
| 6054-29-079768 | 32 South Street | Eric A. Brown and Danielle F. Brown 32 South Street, Beacon, NY 12508 |
| 6054-29-082764 | 28 South Street | Norah Hart 305 Broadway, New York, NY 10007 |
| 6054-29-086757 | Main Street (rear) | Qualamar Corp. P.O. Box 4292, New Windsor, NY 12553 |

These proposed changes are consistent with the overall intent and general recommendations in the 2017 Comprehensive Plan Update, but involve the City Council making more specific adjustments to individual streets and parcels. The Comprehensive Plan Update primarily focused on the waterfront area with less parcel-by-parcel attention concentrated on the area covered by these amendments. In many cases, such as the Fishkill Avenue block, the proposed zoning will result in fewer potential impacts. In some areas, such as the extension of the CMS into the Fountain Square area, it may allow additional development potential, but the existing historic character of the area will be better protected by the architectural, streetscape, and design standards not present in the current LB district. These modifications to the Comprehensive Plan Update are modest in relation to the larger City context, reflect more recent information, or were the result of a more careful look at individual parcels by the City Council.

The Proposed Action is an exercise of the police powers of the City to protect, health, safety, and general welfare of its residents and property owners. These rezonings do not involve site-specific construction or development activities. Therefore, any subsequent site development actions would be subject to more complete analysis in accordance with the requirements of the State Environmental Quality Review Act.

- 4.4 Encourage the improvement of the streetscape along Main Street, such as encouraging businesses and owners to provide high quality landscaping, signage and facade treatments. The City should also explore funding opportunities for street improvements, including street trees, street benches, sheltered bus stops, bicycle racks, restrooms, information kiosks and public art displays. Existing street trees should be protected and maintained under the direction of a certified arborist.
- 4.5 Encourage the infill development of sites along Main Street to create new public spaces/pocket parks. Areas discussed in Section 4.2 include the Dutchess County Building and Veterans Place.
- ~~4.6 Change the zoning of areas on East and West Main Street to reflect density allowed in Central Main Street district.~~
- ~~4.7 Extend Central Main Street District north along Route 9D to Verplanck Avenue.~~

B. Artist Community

Cultivate the growing artist community so that it remains a part of the economic vitality of the City.

- 4.8 Encourage local and regional economic development organizations to study and provide direction regarding potential institutions or other strategies to attract and retain artists, art-related entrepreneurs, and potential consumers of their products and services.
- 4.9 Encourage creation of artist live/work spaces. Study the effect of Section 223-24.3 on the development of these spaces, and consider revising procedures which currently require the renewal of the special permit for artist live work space every two years. The City should consider the alternative of requiring renewal upon change of ownership or tenancy.
- 4.10 Support and nurture existing organizations that promote the development of Beacon's artist community.

C. Route 52

Maintain existing retail and service mix in the Route 52 business district while improving the character of the area through pedestrian amenities such as sidewalks and street trees, and improved architectural design.

- 4.11 Require property owners in this business district to provide sidewalks, street trees, and improved architectural design during site plan review.

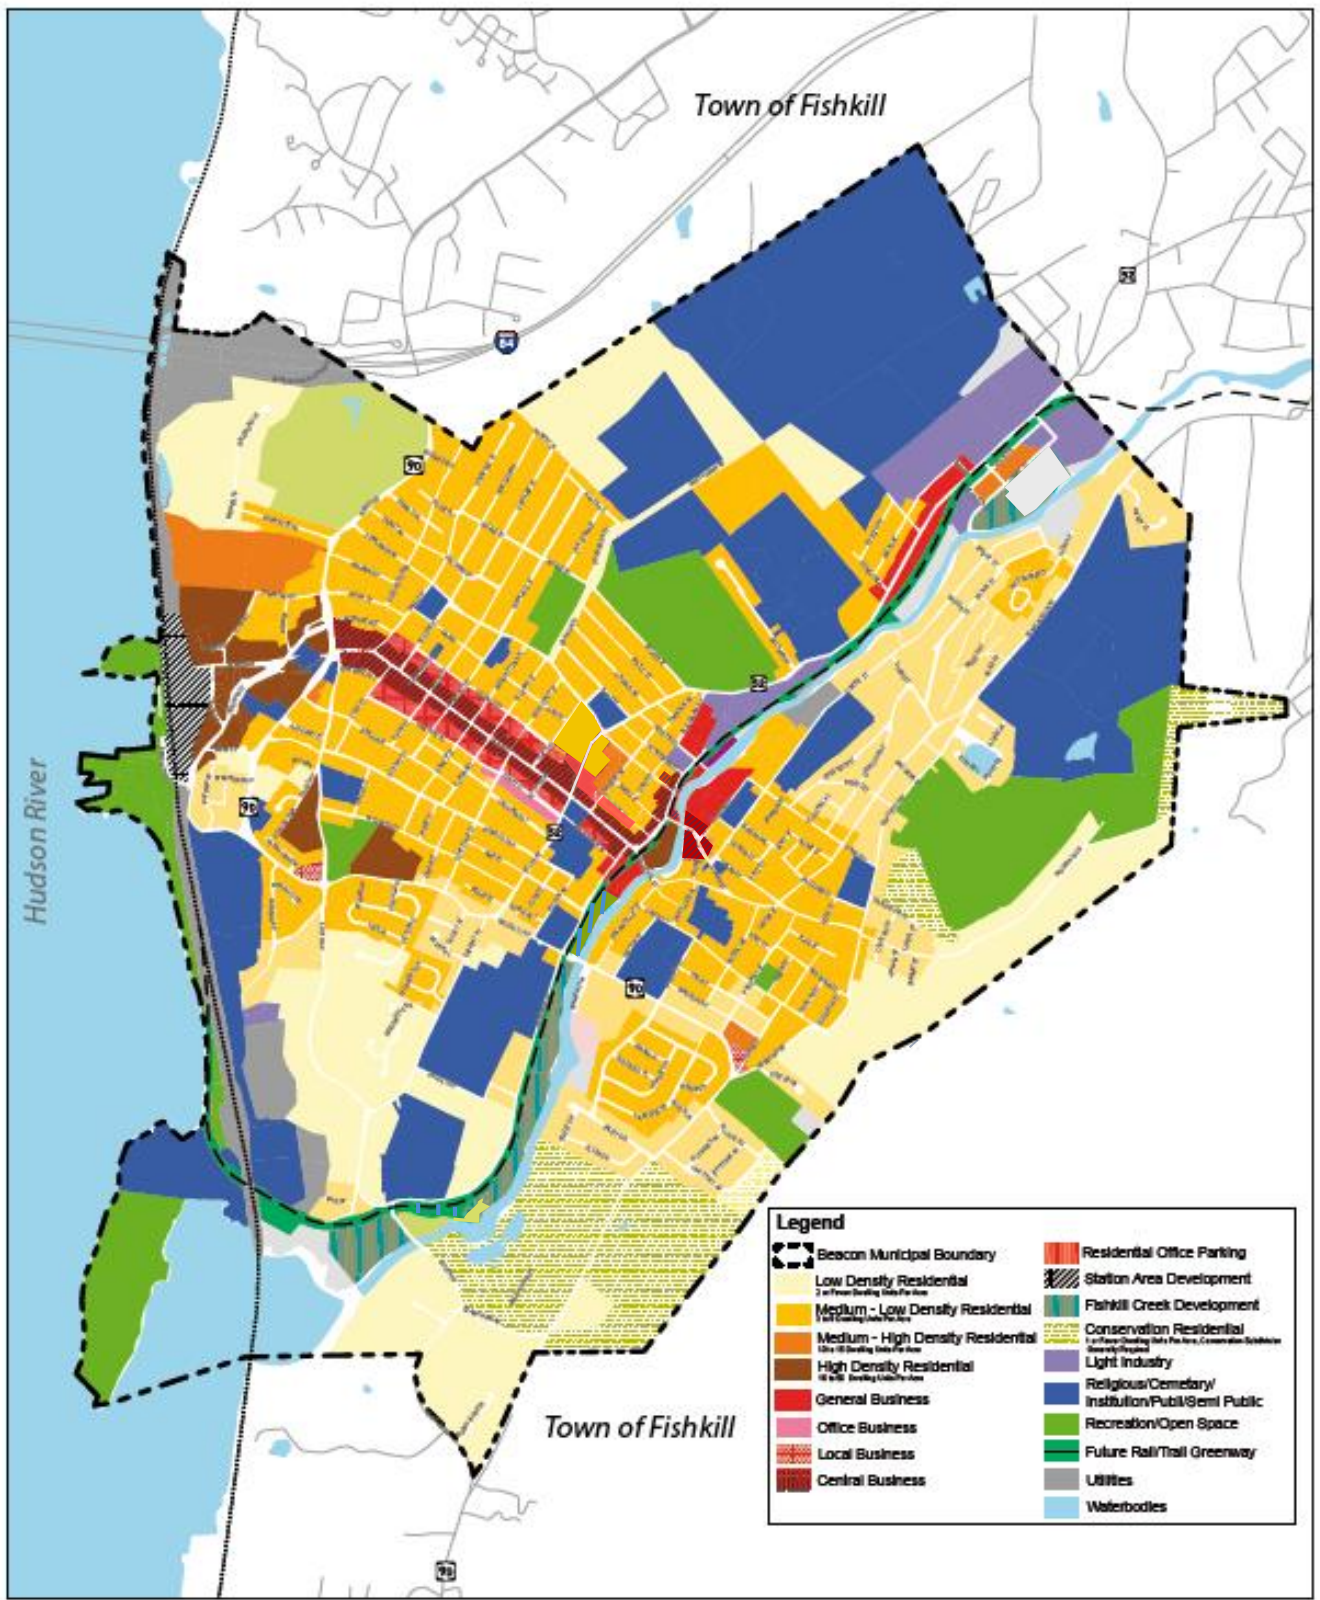

FIGURE 11-1: FUTURE LAND USE MAP

acre are generally found east of Fishkill Creek near Wolcott Avenue, or between Washington Avenue and Liberty Street. Densities of 5 to 8 dwellings per acre are generally found in neighborhoods north, south, and east of Main Street.

Recommendation

No changes from the previous Plan or from existing zoning are proposed for this land use category, except for three individual parcels along Fishkill Avenue (see Figure 12-1).

Residential – Medium-High Density

This category calls for 10 to 15 dwelling units per acre, which corresponds to areas in the City such as the townhouses on Schenck Avenue in the RD-4 Zoning District and the Tompkins Terrace Apartments and the Colonial Springs developments south of the golf course and north of the train station in the RD-3 Zoning District.

Recommendation

No changes from the previous Plan or from existing zoning are proposed for this land use category.

Residential – High Density

This category calls for 16 to 50 dwelling units per acre, which involves housing types such as apartment buildings and condominiums. Developed areas representing housing densities of this type are the Central Business District, which allows up to 29 dwelling units per acre, and the Forrestal Heights and Davies Terrace neighborhoods, which are in the RD-1.8 Zoning District (which allows 24 dwelling units per acre), and a redevelopment of an industrial site at one East Main Street. Properties in the Linkage Zone are also categorized as high density residential. The district allows 2-4 floor apartment buildings. The Linkage District does not regulate development through density limits. The code provides form-based design criteria that encourage buildings that increase the “vitality, attractiveness and marketability of the part of the City lying between Main Street and the Metro North Train Station.”

Recommendation

No changes from the previous Plan or from existing zoning are proposed for this land use category.

- East Main & Leonard Streets
- South & Wolcott Avenues
- Beekman & River Streets

Although the Dia:Beacon is also in the Local Business Zoning District, and is proposed to remain so, it is identified on the Land Use Plan Map as Institutional.

Recommendation

~~No changes from the previous Plan or from existing zoning are proposed for this land use category.~~ The historic section of the Local Business District in the Fountain Square area on East Main Street should be converted to the Central Main Street District to provide more specific architectural and design standards. Four Fountain Square area parcels not in the Historic District Overlay should be changed from LB to the adjacent R1-5 district (see Figure 12-1).

Central Business

The purpose of this category is to allow for the continued commercial vitality and mixed uses of area along Main Street, which is the Central Business District in the City. This area corresponds with the Central Business Zoning District. In 2013, the City Council rezoned a large portion of downtown into the Central Main Street (CMS) District. This area is identified as Central Main Street II. The CMS encourages infill development by raising development potential and lowering parking requirements.

Recommendation

~~The Plan supports the extension of the urban form of Main Street to Route 52 between Main Street and Verplanck Avenue. It is recommended that this stretch be rezoned to CMS. It is also~~ recommended that the CMS district be extended to the upper and lower sections of Main Street that are currently zoned CB. With this change, the entirety of Main Street would have the same zoning district. The City may wish to rename the CMS district to represent that the zone covers the entire corridor and not just the central area. When extending CMS standards to the existing CB district, heights of Historic Overlay Zone parcels should be limited to what is currently allowed.

As noted in Chapter 3 and 9, the Main Street corridor should be planned in greater detail, with an overall strategy of identifying activity centers based on the types of activities that have developed in each area, identifying the types of activities to be encouraged in each center, the major amenities serving each center (such as small parks, parking facilities), and illustrations of the activity centers with sketch plans.

Gas stations are no longer a permitted use within the CB and CMS Districts. Gas stations should be encouraged to relocate to other locations outside of the Main Street area. Pre-existing non-conforming gas stations seeking building permits or other such approvals should be required to comply with architectural and design standards established specifically for gas stations.

Residential/Office/Parking

The purpose of this district is primarily to allow parking as a principal use on a lot in order to support the development of the Central Business District. The district is located to the north and south of the Central Business District, extending from the District boundary to Church Street on the north and DeWindt Street on the south.

Recommendation

~~No changes from the previous Plan or from existing zoning are proposed for this land use category.~~ The changes recommended for this district are to convert one parcel along Fishkill Avenue from RD-5 to the PB District and all or parts of eight parcels along the south side of South Street from R1-5 to PB to provide a transitional area between Main Street and the adjacent residential districts (see Figure 12-1).

General Business

The General Business category occurs between Conklin Street and State Street on Fishkill Avenue. The General Business District allows a broad range business uses, including residential uses.

Recommendation

~~No changes from the previous Plan or from existing zoning are proposed for this land use category.~~ The adjacent section of the HI rail right-of-way between Churchill Street and 850 feet north of Wolcott Avenue should be merged into the adjacent GB District (see Figure 12-1).

Light Industry

Industrial areas are generally found on scattered sites along the Fishkill Creek, most commonly on the west side of the Creek. There is a light industrial area adjacent to the train station, which is the location of MTA's commuter parking lot and maintenance shed (within the former Dorel Hat Factory). Two large underutilized properties between Fishkill Avenue and Fishkill Creek on the north end of the City are available for future industrial uses. Although the City has lost many industrial businesses in the past, the remaining industries are important to the tax base of the City, and they provide an important source of employment for many residents.

Recommendations

The Plan proposes to revise the regulation of industrial areas so that all active industrial sites will be within a Light Industrial Zoning District tailored to fit the operational criteria of these existing businesses. It is recommended that the light industrial zone adjacent to the train station allow uses that are not discordant with the adjacent land uses proposed for the station area (WD District). This area should not allow auto body shops, repair shops, or adult uses. Alternatively, the City may consider rezoning the station area LI zone to LB, with the provision that retail be limited to accessory uses within 1,000 feet of the station platform so that stores and shops do not compete with other retail areas including Main Street.

Recreation/Open Space

This category includes areas of the City intended to remain green space, to continue recreational uses and to preserve important environmental or scenic features. This category includes public and privately owned lands that are used for active and passive recreational purposes.

This category has been expanded to include the waterfront lands along the Hudson including Scenic Hudson's Long Dock Park, and an additional parcel at the north end of Madam Brett Park.

Recommendation

This category has been expanded to include the waterfront lands along the Hudson including Scenic Hudson's Long Dock Park. It also includes the Beacon Line railroad right-of-way for future development of a greenway rail-to-trail route.

There are two pocket parks proposed for Main Street, as identified in Section 9. One potential location is at Veterans Place, and the other is at the Dutchess County offices at South Elm Street. The exact location of these parks will be determined by circumstances as they arise and future study. The provision of outdoor public space in the Main Street corridor should be coordinated with a detailed urban design plan for Main Street. The Main Street plan may involve multiple small parks or squares.

Some lands identified as Recreation/Open Space are privately owned. These lands, in particular the Southern Dutchess Country Club, should be maintained as Recreation/Open Space if possible. If this is not possible, these lands should be limited to the lowest residential densities in the City and conservation subdivisions should be generally required, as described in the Conservation Residential category, in order to preserve neighborhood character in the vicinity of these sites.

Future areas for open space preservation will be identified in an Open Space Plan.

Stream/Wetland Preservation

This category includes areas along the Fishkill Creek. The purpose of this category is to emphasize the objective of protecting this natural corridor for flora and fauna, for passive recreation for people, and for water quality purposes. Development within this area should minimize impact to the functional needs of the flora and fauna in this environment and should allow for the creation of a linear parkway along the Creek.

Section 12: Zoning and Implementation Plan

12.1. Zoning Recommendations

Based on the recommended land uses described above, this section provides a list of zoning recommendations that the City can pursue as it moves forward with implementation of the overall Comprehensive Plan. Upon adoption of this Plan, the City Council would be empowered to undertake specific zoning amendments to the City's Zoning Code in support of the land uses described in this Future Land Use Plan. Amendments to the Zoning Code would include site specific changes to the City's Official Zoning Map and corresponding text changes to the Zoning Code. The courts of the State of New York have consistently upheld the principle that "zoning should be based on a well-reasoned plan." Any future zoning amendments undertaken in support of this Plan are subject to the requirements of and compliance with the State Environmental Quality Review Act [6 NYCRR Part 617 (SEQR)].

Description of Proposed Zoning Recommendations

A series of zoning map and text amendments are needed to implement the land use proposals outlined in the Future Land Use Map. Depending on available funding for undertaking amendments to the Zoning Code and Zoning Map, the proposed zoning amendments could be undertaken in a series of steps or as one comprehensive set of text and map changes. The following presents a discussion of recommended zoning changes needed in order to implement the future land uses described in Section 11.1. A list of zoning recommendations is included in Table 12-1 and Figure 12.1.

Table 12-1: Proposed Zoning Changes

| Area ID | Description | Existing Zoning | Proposed Zoning |
|-----------|--|-------------------|-------------------|
| 1a | Rezone Long Dock Park to WP (see Section 10.0) | WD | WP |
| 2a/2b | Rezone two areas east of station to WD (see Sec. 10.0) | WP, LB, LI | WD |
| 3 | <u>Rezone two parcels on Rt. 52 to R1-5</u> | <u>RD-5</u> | <u>R1-5</u> |
| 4a/4b | Rezone Main Street CB <u>and Fountain Square</u> to CMS | CB, <u>LB</u> | CMS |
| 5 | Rezone <u>southern</u> Groveville Mills property to FCD | LI | FCD |
| 6 | Rezone <u>section of HI rail right-of-way to CB</u> and GB | LI | <u>CB</u> , GB |
| 7 | Rezone former DPW Garage <u>to FCD</u> | LI | <u>FCD</u> |
| 8 | Rezone <u>section of HI rail right-of-way</u> to FCD | HI | FCD |
| 9 | Rezone LI District to LB or restrict uses in LI | LI | LB or modified LI |
| <u>10</u> | <u>Rezone parcels on Rt. 52 and South St. to PB</u> | <u>RD-5, R1-5</u> | <u>PB</u> |
| <u>11</u> | <u>Rezone parcel along Fishkill Creek to WP</u> | <u>FCD</u> | <u>WP</u> |

City of Beacon Council Agenda
12/18/2017

Title:

Proposed Local Law to Amend the Zoning Map of the City of Beacon

Subject:

Background:

ATTACHMENTS:

Description
LL Zoning Map

Type
Backup Material

Draft: 12/18/17

LOCAL LAW NO. ____ OF 2017

**CITY COUNCIL
CITY OF BEACON**

**LOCAL LAW AMENDING THE ZONING MAP OF
THE CITY OF BEACON**

A LOCAL LAW to amend the
Zoning Map of the City of
Beacon.

BE IT ENACTED by the City Council of the City of Beacon as follows:

Section 1. Intent. The City Council believes that it is reasonable and appropriate to rezone certain areas in the central downtown business district and along Fishkill Creek in a manner that is not inconsistent with the City's Comprehensive Plan and provides for more efficient zoning boundaries. This local law is determined to be an exercise of the police powers of the City to protect the public health, safety and welfare of its residents.

Section 2. The zoning of the parcels listed below is hereby changed from the Existing Zoning District to the New Zoning District as shown in the table and as shown in Figure 1 annexed hereto:

| Tax Parcel Number | Subject Property Address | Owner's Name and Address | Existing Zoning District | New Zoning District |
|--------------------------|-------------------------------------|---|---|----------------------------|
| 6054-30-142808 | 554 Main Street Beacon, NY 12508 | Further Properties, LLC 544 Main Street Beacon NY 12508 | R1-5 (rear portion of lot) CB (portion of lot fronting on Main Street) | CMS |
| 6054-30-151814 | 2 Ackerman Street | Joseph Valentin 2 Ackerman Street Beacon NY 12508 | CB | CMS |

| | | | | |
|--|---------------------------------|---|----|-----|
| p/o 6054-37-096715 (See Fig. 1 - along east side of Main Street from Ackerman Street to Churchill Street) | Main Street Beacon, NY 12508 | Metro-North Commuter RR Co. 347 Madison Avenue New York, NY 10017 | HI | CMS |
|--|---------------------------------|---|----|-----|

| | | | | |
|--|--|---|--|-----|
| p/o 6054-30-168772 (See Fig. 1 - fronting on East Main Street) | 8 East Main Street Beacon, NY 12508 | 10 Boulevard LLC 24 Woodbine Ave Northport, NY 11768 | CB (west of Fishkill Creek) LB (east of Fishkill Creek) | CMS |

Section 5. Severability

The provisions of this Local Law are separable and if any provision, clause, sentence, subsection, word or part thereof is held illegal, invalid or unconstitutional, or inapplicable to any person or circumstance, such illegality, invalidity or unconstitutionality, or inapplicability shall not affect or

impair any of the remaining provisions, clauses, sentences, subsections, words or parts of this Local Law or their petition to other persons or circumstances. It is hereby declared to be the legislative intent that this Local Law would have been adopted if such illegal, invalid or unconstitutional provision, clause, sentence, subsection, word or part had not been included therein, and if such person or circumstance to which the Local Law or part hereof is held inapplicable had been specifically exempt there from.

Section 6. This local law shall become effective immediately upon filing with the Office of the Secretary of State.

CITY OF BEACON
CITY COUNCIL
RESOLUTION NO. _____ OF 2017

**A RESOLUTION TO ADOPT NEGATIVE DECLARATION CONCERNING THE
COMPREHENSIVE PLAN AMENDMENTS AND LOCAL LAWS TO AMEND THE CITY
ZONING MAP AND CHAPTER 223 OF THE CODE OF THE CITY OF BEACON**

WHEREAS, the City Council has proposed amendments to the Comprehensive Plan and local laws to amend the Zoning Map of the City of Beacon and Chapter 223 of the Code of the City of Beacon (“Proposed Action”); and

WHEREAS, the Proposed Action is a Type I Action pursuant to the New York State Environmental Quality Review Act (“SEQRA”); and

WHEREAS, the City Council took a “hard look” at the EAF and all the associated application materials, including memoranda from City staff and consultants, agency and public comment, and testimony from meetings held on the application.

NOW, THEREFORE, BE IT RESOLVED, that the City Council in accordance with 6 NYCRR Part 617 and upon review of the Full Environmental Assessment Form and all other materials prepared, hereby adopts the attached Negative Declaration for the proposed action.

Full Environmental Assessment Form
Part 3 - Evaluation of the Magnitude and Importance of Project Impacts
and
Determination of Significance

Part 3 provides the reasons in support of the determination of significance. The lead agency must complete Part 3 for every question in Part 2 where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.

Based on the analysis in Part 3, the lead agency must decide whether to require an environmental impact statement to further assess the proposed action or whether available information is sufficient for the lead agency to conclude that the proposed action will not have a significant adverse environmental impact. By completing the certification on the next page, the lead agency can complete its determination of significance.

Reasons Supporting This Determination:

To complete this section:

- Identify the impact based on the Part 2 responses and describe its magnitude. Magnitude considers factors such as severity, size or extent of an impact.
- Assess the importance of the impact. Importance relates to the geographic scope, duration, probability of the impact occurring, number of people affected by the impact and any additional environmental consequences if the impact were to occur.
- The assessment should take into consideration any design element or project changes.
- Repeat this process for each Part 2 question where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.
- Provide the reason(s) why the impact may, or will not, result in a significant adverse environmental impact
- For Conditional Negative Declarations identify the specific condition(s) imposed that will modify the proposed action so that no significant adverse environmental impacts will result.
- Attach additional sheets, as needed.

See attached.

Determination of Significance - Type 1 and Unlisted Actions

SEQR Status: ☒ Type 1 ☐ Unlisted

Identify portions of EAF completed for this Project: ☒ Part 1 ☒ Part 2 ☒ Part 3

Upon review of the information recorded on this EAF, as noted, plus this additional support information
All application materials submitted by the Applicant, memoranda from City staff and consultants, agency and public comment, and testimony from
meetings held on the application.

and considering both the magnitude and importance of each identified potential impact, it is the conclusion of the
City Council of the City of Beacon as lead agency that:

☒ A. This project will result in no significant adverse impacts on the environment, and, therefore, an environmental impact statement need not be prepared. Accordingly, this negative declaration is issued.

☐ B. Although this project could have a significant adverse impact on the environment, that impact will be avoided or substantially mitigated because of the following conditions which will be required by the lead agency:

There will, therefore, be no significant adverse impacts from the project as conditioned, and, therefore, this conditioned negative declaration is issued. A conditioned negative declaration may be used only for UNLISTED actions (see 6 NYCRR 617.d).

☐ C. This Project may result in one or more significant adverse impacts on the environment, and an environmental impact statement must be prepared to further assess the impact(s) and possible mitigation and to explore alternatives to avoid or reduce those impacts. Accordingly, this positive declaration is issued.

Name of Action: Comprehensive Plan amendments and local laws to amend Zoning Map and Chapter 223 of the Code of the City of Beacon

Name of Lead Agency: City Council of the City of Beacon

Name of Responsible Officer in Lead Agency: Randy Casale

Title of Responsible Officer: Mayor

Signature of Responsible Officer in Lead Agency: Date: December 18, 2017

Signature of Preparer (if different from Responsible Officer) Date:

City of Beacon City Council

December 18, 2017

Proposed Action: Comprehensive Plan amendments and local laws to amend Zoning Map and Chapter 223 of the Code of the City of Beacon

Full Environmental Assessment Form

Part 3- Evaluation of the Magnitude and Importance of Project Impacts and Determination of Significance

This project will not result in a significant adverse impact on the environment. The proposed action involves amendments to the Comprehensive Plan, changes to the Zoning Map, and changes to the the Central Main Street (CMS) Zoning District and the Fishkill Creek Development (FCD) Zoning District.

A portion of the Metro-North Commuter Railroad right-of-way along Tioronda Avenue, tax parcel number 6054-37-096715, with the owner's address at 347 Madison Avenue, New York, NY 10017 is proposed to be changed from LI to FCD. The Comprehensive Plan Update recommended other sections of the Metro-North right-of-way just to the north be merged into the FCD district. This additional section of the track right-of-way will link two currently zoned FCD parcels to make a continuous FCD district. Because of the existing tracks and steep slopes on the parcel, the rezoning will not significantly affect any development potential.

A 1.3-acre parcel along the Fishkill Creek owned by the Scenic Hudson Land Trust, Inc. at 1 Civic Center Plaza, Poughkeepsie, NY 12601, tax parcel number 5954-16-910293, is proposed to be changed from FCD to Waterfront Park (WP) Zone. The parcel is contiguous with other properties zoned WP and is very near another Scenic Hudson parcel that is part of Madam Brett Park. The City Council proposes to extend the WP district to include this parcel because of its sensitive nature along the Fishkill Creek and proximity to the other Scenic Hudson-owned park parcels. Development is limited in the waterfront park zone to maintain, enhance and increase the levels and types of access to public water-related resources and facilities.

In addition, text changes are proposed for the CMS District and FCD District regulations. The proposed local law amending the CMS District regulations proposes clarifications and updates to the permitted uses, eliminates a five-story building as a use permitted by special permit, creates a dual rear yard setback requirement dependent upon the depth of the lot, requires a 15-foot building setback for buildings abutting a residential district that are over 39 feet in height, and updates the applicable design standards, among other changes. The proposed local law amending the FCD District regulations proposes clarifications and updates to the permitted uses, eliminates the requirement for special permit approval for development projects in the FCD, updates the design standards, reduces development potential by requiring a deduction of certain environmentally sensitive areas from the overall lot area used to determine the maximum number of dwelling units permitted per acre, requires a minimum of 25% of the total floor area to be devoted to nonresidential uses, and increases the permitted maximum height, among other changes. These changes impose

City of Beacon City Council

December 18, 2017

Proposed Action: Comprehensive Plan amendments and local laws to amend Zoning Map and Chapter 223 of the Code of the City of Beacon

specific architectural and design standards to minimize the overall impacts a project may have on the surrounding neighborhood. These changes also control development to better protect environmentally sensitive areas.

The amendments to the Comprehensive Plan involve individual parcel zoning adjustments to the recommendations in Sections 11 and 12 of the Comprehensive Plan Update adopted 1/3/17. The Comprehensive Plan Update recommended the extension of the CMS district north on Fishkill Avenue to Verplanck Avenue. However, under the proposed amendment to the Comprehensive Plan, the City Council does not want to permit commercial zoning on this block. By not allowing commercial expansion, the City hopes to protect the primarily residential buildings along this block. This change will result in far fewer impacts on the neighborhood. The amendments to the Comprehensive Plan specifically include deleting Sections 4.6, Change the zoning of areas on East and West Main Street to reflect density allowed in Central Main Street district, and 4.7, Extend Central Main Street District north along Route 9D to Verplanck Avenue. The amendments also require that the City create more specific architectural and design standards in the historic section of the Local Business District in the Fountain Square area on East Main Street by converting the area to the Central Main Street District and provides that four Fountain Square area parcels not located in the Historic District Overlay be changed from Local Business to the adjacent R1-5 district. The existing historic character of the neighborhood will be better protected by the architectural streetscape, and design standards not present in the current Local Business District. The modifications to the Comprehensive Plan are modest and reflect recent information and changes in the City. The City Council to a careful look at individual parcels to create the proposed amendment.

These proposed changes are consistent with the overall intent and general recommendations set forth in the 2017 Comprehensive Plan Update, but require the City Council to make specific adjustments to individual streets and parcels. Therefore, the City Council determines that the Proposed Action will not have a significant adverse effect on the environment and a Draft Environmental Impact Statement is not required.

CITY OF BEACON

CITY COUNCIL

Resolution No. _____ of 2017

**RESOLUTION AUTHORIZING SALE OF 23-28 CREEK DRIVE IN THE CITY
OF BEACON**

WHEREAS, there exists a certain tract or parcel of land located at 23-28 Creek Drive (parcel identification grid number 130200-6054-37-037625) in the City of Beacon, Dutchess County, New York; and

WHEREAS, this property was obtained by the City of Beacon pursuant to a deed recorded at the Dutchess County Clerk's Office and was previously used as the City's highway Garage; and

WHEREAS, the property is not needed by the City of Beacon for any municipal purpose; and

WHEREAS, the City Council has the authority pursuant to General City Laws § 20 to sell and convey real property, when not needed for City purposes; and

WHEREAS, pursuant to Section 1.07 of the City Charter, the City Council may by resolution vote to sell City property upon such terms and conditions as the City Council may deem proper; and

NOW, THEREFORE, BE IT RESOLVED, that the City of Beacon City Council, in accordance with Article 8 of the State Environmental Conservation Law and 6 NYCRR Part 617 and upon review of the EAF and all other materials prepared for this unlisted action, hereby adopts the attached Negative Declaration; and

BE IT FURTHER RESOLVED, the City Council hereby declares the real property at 23-28 Creek Drive in the City of Beacon is not needed for municipal purposes; and

BE IT FURTHER RESOLVED, the City of Beacon approves of the sale of the subject property to 11 Creek Drive Unit 102, LLC or their assign(s) for a sales price of One Hundred Fifty Thousand (\$150,000) Dollars plus improvements made to the subject property by 11 Creek Drive Unit 102, LLC, including, but not limited to, the construction and maintenance of the Greenway Trail through the property, replacement of certain City pipes located on the property, creating a park open to the public with no less than \$100,000 spent on landscaping, lighting, benches, grading and construction of retaining walls and demolishing

the existing buildings located on the property, all pursuant to a Quit Claim Deed in accordance with the terms of the Contract of Sale, subject to review and approval by the City Attorney; and

BE IT FURTHER RESOLVED, that the Mayor and/or City Administrator are authorized to sign any and all documents, necessary to effectuate the purpose of this Resolution.

| 18. Does the proposed action include construction or other activities that result in the impoundment of water or other liquids (e.g. retention pond, waste lagoon, dam)? If Yes, explain purpose and size: _____ _____ _____ | NO | YES |
| | X | |
| 19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility? If Yes, describe: _____ _____ _____ | NO | YES |
| | X | |
| 20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste? If Yes, describe: _____ _____ _____ | NO | YES |
| | X | |
| I AFFIRM THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE | | |
| Applicant/sponsor name: <u>City of Beacon</u> | | Date: December __, 2017 |
| Signature: _____ | | |

Part 2 - Impact Assessment. The Lead Agency is responsible for the completion of Part 2. Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

| | No, or small impact may occur | Moderate to large impact may occur |
|--|-------------------------------|------------------------------------|
| 1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations? | X | |
| 2. Will the proposed action result in a change in the use or intensity of use of land? | X | |
| 3. Will the proposed action impair the character or quality of the existing community? | X | |
| 4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)? | X | |
| 5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway? | X | |
| 6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities? | X | |
| 7. Will the proposed action impact existing: a. public / private water supplies? | X | |
| b. public / private wastewater treatment utilities? | X | |
| 8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources? | X | |
| 9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)? | X | |

| | No, or small impact may occur | Moderate to large impact may occur |
|---|---|--|
| 10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems? | X | |
| 11. Will the proposed action create a hazard to environmental resources or human health? | X | |

Part 3 - Determination of significance. The Lead Agency is responsible for the completion of Part 3. For every question in Part 2 that was answered “moderate to large impact may occur”, or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

- ☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
- ☒ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

City of Beacon City Council

November 13, 2017

City of Beacon
Randy Casale, Mayor
1 Municipal Plaza
Beacon, NY 12508

Dear Mr. Casale:

Enclosed please find two copies of the contract for our Dog Housing/Boarding services for the upcoming calendar year of 2018.

The Dog Control Housing Agreement has been modified to reflect a daily boarding rate of \$45.00 per day and core vaccine (rabies, distemper and bordetella) fees of \$60. Please return the approved contracts to me for signature. We will then send a copy of the fully executed contract back to you.

Please feel free to contact me should you need any additional information. I may be reached at 845-452-7722 x 410 or by email at wayne.mabey@dcsPCA.org. Thank you for your assistance with this matter. I look forward to hearing back from you soon.

Sincerely,

Wayne Mabey
Interim Executive Director

DOG CONTROL HOUSING AGREEMENT

THIS AGREEMENT, made this _____ day of _____, 2017, by and between

DUTCHESS COUNTY SPCA,

a New York Not-For- Profit Corporation

having an address of 636 Violet Avenue, Hyde Park, New York 12538

Hereinafter referred to as "DCSPCA"

and

CITY OF BEACON,

a municipal corporation

Hereinafter referred to as the "CITY"

WHEREAS, the CITY OF BEACON Dog Control Officer, hereinafter referred to the "DCO", is empowered to seize dogs pursuant to the provisions of Agriculture and Markets Law Article 7, §117; and

WHEREAS, this Agreement applies only to dog(s) seized by the DCO that are running at large; and

WHEREAS, pursuant to Agriculture and Markets Law Article 7, §117, dogs seized by a DCO are required to be properly fed and watered during the applicable redemption period; and

WHEREAS, DCSPCA maintains a kennel for boarding dogs and other animals at its office located at 636 Violet Avenue, Hyde Park, New York, 12538; and

WHEREAS, the CITY wishes to contract with DCSPCA to provide shelter for dogs seized by the DCO upon terms and conditions hereinafter set forth.

NOW, THEREFORE, it is hereby agreed by and between DCSPCA and the CITY as follows:

- 1) **RECITATION INCORPORATED:** These recitations above set forth are incorporated in this Agreement as if fully set forth and recited herein.
- 2) **TERM OF AGREEMENT:** This agreement shall be become effective January 1, 2018 and shall continue until December 31, 2018.

3) BOARDING: DCSPCA hereby agrees to provide boarding, which included shelter, food and water, as required by the Law for the following dogs:

- a) Any/all dogs running at large (stray) seized by the DCO as outlined by the Agriculture and Markets Law Article 7, §117(1) & (2); and
- b) Any/all dogs who have been seized by a court order pending a “dangerous dog” hearing, as outlined by the Agriculture and Markets Law Article 7, §123(2).

All dogs seized by the DCO shall be delivered to the offices of DCSPCA at 636 Violet Avenue, Hyde Park, New York 12538.

4) HOLDING PERIOD: In order to provide the owners a reasonable time period in which to reclaim their seized dog, the DCSPCA and the CITY agree to the following:

- a) For dogs running at large (strays):
 - i) Dogs that are not appropriately identified, as outlined by the Agriculture and Markets Law Article 7, §117(4), will be held for seven (7) days from the date they enter the shelter;
 - ii) Dogs that are appropriately identified, as outlined by the Agriculture and Markets Law Article 7, §117(6), will be held for eleven (11) days from the date they enter the shelter. The CITY is responsible for notifying the owner of the seizure, as per the Agriculture and Markets Law Article 7, §117(6).
 - iii) Upon expiration of the above stated holding periods, any and all dogs that have not been reclaimed by their owner, will become the property of the DCSPCA, as outlined by the Agriculture and Markets Law Article 7, §117 (7-a).
- b) For dogs seized under a court order pending a “dangerous dog hearing”, as outlined by the Agriculture and Markets Law Article 7, §123(2) as per :
 - Dogs will be held until final disposition by the court OR a maximum of fourteen (14) days, whichever comes first. If the final hearing has not been held by the end of the fourteenth day, the CITY will be responsible to make alternate arrangements housing of such dogs. The DCSPCA may consider continued housing on a case by case basis to be negotiated with the CITY.
- c) Unclaimed dogs will be evaluated by the DCSPCA staff to determine if a dog’s disposition and temperament will enable it to be adopted. If the dog is determined to be adoptable, it will be placed for adoption by the DCSPCA. If the dog is determined to not be adoptable, the DCSPCA will determine the best options for the dog. The DCSPCA reserves the right to handle the final disposition of dogs determined to be unadoptable within the Mission Statement of the DCSPCA.

- 5) **RABIES VACCINATION:** As outlined by the Agriculture and Markets Law Article 7, §109(1)(a), for all dogs that are to be reclaimed, the owner must provide proof of CITY license, including proof of rabies vaccination. As such, the DCSPCA will not release any dog to its owner without proof of current CITY license and rabies vaccination. In the event that the dog is not up-to-date on its rabies vaccine and/or the owner is unable to provide proof of such vaccine to the CITY, the DCSPCA will administer a rabies vaccine to the dog prior to redemption and will charge the owner for the cost of this service.
- 6) **EMERGENCY VETERINARY CARE:** In the event that a dog that is boarded is determined, by best judgment of the DCSPCA medical staff, to be in need of emergency veterinary care, the DCSPCA will arrange medical care for the dog. The CITY will be charged for the veterinary fees as incurred by the DCSPCA only in the event the dog is not redeemed by the owner. The CITY shall have the right to recoup the fees from the owner.
- 7) **FEES:**
- a) Boarding:
- i) The DCSPCA boarding fee is \$45.00 per day. The first day is charged upon admission to the shelter and each subsequent day is calculated upon the dog being on the DCSPCA property at 12:00 am each day.
 - ii) For dogs that are reclaimed by their owner, the owner will be required to pay the boarding fee directly to the DCSPCA. If an owner is unable or unwilling to pay this fee within the holding period, the dog will not be released to the owner and the dog will become the property of the DCSPCA upon expiration of the holding period.
 - iii) For dogs that are not reclaimed by the owner, the DCSPCA will invoice the CITY for the boarding fee.
 - iv) For dogs that have been seized due to running at large and have been previous deemed a "dangerous dog" by order from a Court of competent jurisdiction AND dogs that have been seized by court order pending a dangerous dog hearing, there will be fee of \$150.00 in addition to any and all daily boarding fees.
- b) Core Vaccinations:
- i) The fee for core vaccines (rabies, distemper and bordetella) is \$60.00
 - ii) For dogs that are reclaimed by their owner, the owner will be required to pay the vaccine fee directly to the DCSPCA. If an owner is unable or unwilling to pay this fee within the holding period, the dog will not be released to the owner and the dog will become the property of the DCSPCA upon expiration of the holding period.
 - iii) For dogs that are not reclaimed by the owner, the CITY will not be billed for the vaccines.

c) Emergency Veterinary Care

- i) For services provided by the DCSPCA medical team, the DCSPCA usual and customary fees will be applied.
- ii) For care that requires services from a community-based veterinarian, the actual fee from the veterinarian will be applied. The DCSPCA will make the determination of which community-based veterinarian will be utilized.
- iii) For dogs that are reclaimed by their owner, the owner will be required to pay the medical care fees directly to the DCSPCA. If an owner is unable or unwilling to pay these fees within the holding period, the dog will not be released to the owner and the dog will become the property of the DCSPCA upon expiration of the holding period.
- iv) For dogs that are not reclaimed by the owner, the CITY will be billed for the medical care fees. The CITY shall have the right to recoup the fees from the owner.

8) RECLAIM/REDEMPTION OF DOGS: In an effort to simplify the billing process for both the DCSPCA and the CITY, both parties agree that for those cases in which the owner wants to reclaim their dog, the owner must pay any and all CITY fees/fines directly to the CITY and directly pay any and all DCSPCA fees directly to the DCSPCA. As such, the following process will be employed:

- a) All owners will be informed by the CITY and/or the DCSPCA of the necessary documentation and fees to be paid in order to reclaim their dog as well as the process to accomplish this task.
- b) Upon payment of the CITY fee, the CITY will issue a copy of the Agriculture and Markets Department Form DL-18 (or comparable form) to the dog owner or designee, which will evidence that the CITY has received all CITY reclaim/redemption fees. The owner will be instructed to present this documentation to the DCSPCA to reclaim their dog. Additionally, they will be informed of the need to pay the boarding and other applicable fees directly to the DCSPCA upon reclaiming their dog.
- c) The DCSPCA shall be available to process reclaims of dogs at its office on the following days:
 - i) Monday thru Friday: 8:00 am to 4:00 pm.
 - ii) Saturday and Sunday: 12:00 pm to 4:00 pm
 - iii) Dogs may not be reclaimed on observed holidays

9) KENNEL SPACE: At all times, the DCSPCA will provide kennel space for all dogs that are seized; the Dog Control DCO will have twenty-four (24) hour access to DCSPCA kennels for the delivery of dogs. The DCO will be required to complete DCSPCA paperwork and ensure that the dog has food, water and bedding in its kennel.

- 10) INDEMNIFICATION:** The DCSPCA shall defend, indemnify and hold the CITY, its officials, officers and employees harmless from and against all actions, proceedings, claims, damages, liabilities, losses and expenses including, without limitation, reasonable attorney's fees arising out of the wrongful actions of the DCSPCA. The CITY shall defend and indemnify and hold the DCSPCA, its officials, officers and employees harmless from and against all actions, proceedings, claims, damages, liabilities, losses and expenses including, without limitation, reasonable attorney's fees arising out of the wrongful acts or admissions of the CITY.
- 11) APPLICABLE LAW:** This Agreement shall be governed by, construed and enforced in accordance with the laws of New York with regard to conflicts of laws and principles of law.
- 12) WAIVER:** No waiver of any breach of any condition of this Agreement shall be binding unless in writing and signed by the party waiving such breach. No such waiver shall in any way affect any other term or condition of this Agreement or constitute a cause or excuse for repetition of such or any other breach unless the waiver shall specifically include the same.
- 13) MODIFICATION:** This agreement constitutes the complete understanding of the parties. No modification of any provisions thereof shall be valid unless in writing and signed by both parties.
- 14) NOTICES:** All notices, demands, requests, consents, approvals or other communications (for the purpose of this paragraph collectively called "Notices") required or permitted to be given hereunder to any party to this Agreement shall be in writing and shall be sent overnight delivery service or registered or certified mail, return receipt requested, postage prepaid.
- 15) SUCCESSORS and ASSIGNS:** This Agreement shall apply to bind the successors and heirs, administrators and executor of the parties hereto.
- 16) ENTIRE AGREEMENT:** This written Agreement, when signed by all parties, forms the entire Agreement between the parties and replaces and supersedes all prior Agreements or undertakings between the parties, if any.
- 17) BINDING EFFECT:** This Agreement shall be binding on the heirs, executors, administrators, successors and assigns of the parties hereto.
- 18) AUTHORIZATION:** This Agreement was authorized by Resolution of the Board of the CITY OF BEACON duly adopted at a regular meeting of the Board held on the _____ day of _____, _____.

19) TERMS: This contract can be cancelled at any time from either party with sixty (60) days written notice.

20) PAYMENT: All bills submitted to the CITY will be paid within sixty (60) days. If no payment is made to the DCSPCA within sixty (60) days the DCSPCA reserves the right to charge a \$50.00 per month surcharge.

IN WITNESS WHEREOF, the parties have executed this Agreement in two (2) counter parts, each of which shall constitute an original, the day and year first above written.

**RESOLUTION RE: CERTIORARI SETTLEMENT -
Mtr. of Faith W. Fina Trustee v. City of Beacon, et al.
(Sup. Ct. Dutchess Co. Index Nos. 51754/16 and 51797/17) -
SETTLEMENT OF TAX CERTIORARI LITIGATION**

WHEREAS, there are tax certiorari proceedings, entitled *Mtr. of Faith W. Fina Trustee v. City of Beacon, et al.* (Sup. Ct. Dutchess Cty. Index Nos. 51754/16 and 51797/17), pending before the Supreme Court, Dutchess County (Hon. James V. Brands, J.S.C., presiding); and

WHEREAS, these proceedings challenge the real property tax assessment of a homestead tax parcel located on Slocum Road, which is identified as Tax Lot No. 5954-20-786193 on the Tax Map of the City of Beacon; and

WHEREAS, on account of these proceedings, the 2016 and 2017 real property tax assessments established by the City of Beacon with respect to this parcel have been contested; and

WHEREAS, a settlement has been reached by and between Petitioner Faith W. Fina Trustee and the City of Beacon providing for a voluntary disposition of these proceedings; and

WHEREAS, a proposed Consent Judgment effectuating these settlement terms has been prepared, subject to the approval of the City of Beacon; and

WHEREAS, the City of Beacon has obtained the advice and assistance of its counsel, Keane & Beane, P.C., with respect to the settlement terms, the proposed Consent Judgment and has duly considered same; and

WHEREAS, under the settlement terms, the City will be liable for a City tax refund in the amount of Three Hundred Thirty-Nine and 92/100 (\$339.92) Dollars;

NOW, THEREFORE, BE IT RESOLVED that the City Council accepts the settlement of the aforementioned proceedings so that the following adjustments are made to the assessment of the above-described tax parcel:

| <u>Year</u> | <u>Assessment</u> | <u>Revised Assessment</u> | <u>Reduction</u> |
|-------------|-------------------|-------------------------------|------------------|
| 2016 | \$180,000 | \$160,000 | \$20,000 |
| 2017 | \$180,000 | \$160,000 | \$20,000 |

BE IT FURTHER RESOLVED, that counsel for the City of Beacon, Keane & Beane, P.C., together with the City Administration, is hereby authorized to undertake such actions as are necessary to confirm and effectuate this settlement, including execution of the Consent Judgment incorporating the settlement terms.
